P&C AGM MEETING

Invitation

The Proserpine State High School Parents and Citizens Annual General Meeting will take place on Wednesday 15 February at 5pm in the Student Advisory Centre meeting room beside the Administration office. The general meeting will follow at 5:30pm.

P&C meetings are normally held on the third Wednesday of each month, except for school holidays or otherwise notified. The main aim of the P&C is to support students and their teachers to have the best learning experience whilst at Proserpine State High School.

Parents/Guardians and interested community members are invited to attend.

YEAR 7 PARENT EVENING

THURSDAY 16 FEBRUARY
Proserpine State High School Resource Centre (Library) at 6:30pm.

Policies and procedures of Proserpine State High School will be discussed and an opportunity to meet some of the Year 7 teachers. Have a cuppa and a chat with your child’s teachers.

** Please bring along your child’s Student Diary and the Assessment Schedules.

Please note: Students do not need to attend.

2017 “IN THE SWIM” CARNIVAL

Held at the Proserpine Pool
MONDAY 20 FEBRUARY

ALL students are to go straight to the pool.
Buses will drop off and pick up students at the pool.
Helpers to timekeep, judge, etc. are needed.
If you are able to help, please contact the school on 4945 0111.
Don’t forget to “Slip, Slop, Slap, Seek & Wrap”.
Oh, and don’t forget the fun bit!

Principal Perspective

Student leadership at Proserpine State High School has developed rapidly over past years, to a position where we now have an extensive range of opportunities for students to be involved in leading our school community. The leadership committee structure delivers greater opportunity for students within our school to become involved in key leadership initiatives and grow their leadership potential. It is pleasing to see this work branching out beyond the school gates and assisting community groups. I must acknowledge the work of our teachers and staff, who volunteer their time, to allow our students the experience and reward of leadership participation through a variety experiences.

In 2015 we introduced junior secondary executive positions to our leadership structure within the school. Congratulations to the past students who have held positions and represented the students from Year 7 to 9, giving them a true sense of identity and ownership within our whole school context. I set the challenge two years ago of developing, defining and moulding the role of junior leaders within our school. They certainly delivered – thank you.
I spoke to the students about approaching leadership this year from two levels - personal leadership and the leadership of others. Personal leadership is the ability to direct your own life and to lead yourself in the direction that you would like for your future to take. It is about being accountable for your actions and taking responsibility for your decisions. I stressed the need for every student to identify within themselves what their personal leadership focus would be for the 2017 school year. Goal setting activities in Term 1 will support students to identify those strategies that will assist them in reaching their personal goals within individual subjects. I encourage all students to strive for your potential and have high expectations of yourself.

The Wilmar Sugar bursary winners, Logan Donadelli, Lloyd Clode-Roberts and Jessica Muller are exemplary role models for what they have achieved academically through their personal leadership, establishing a vision for their future, setting goals to achieve and identifying strategies to achieve their target.

My final advice to students within the leadership pool when leading others:

- Stay authentic. Be true to who you are.
- Keep an open mind and always listen.
- Know how to delegate tasks to achieve common goals. Be comfortable handing over responsibility.
- Learn from mistakes to improve for the future. Things are going to go wrong and that’s OK.
- Seek knowledge and assistance. You don’t have to know everything.

AND REMEMBER: Leadership is any action (no matter how big or small) that makes a positive difference to others. Therefore, it is important to understand that leadership doesn’t have to be difficult, complex or scary. Every student in our school can be a leader and make a positive difference to our school community.

LEADERSHIP POSITIONS 2017

Proserpine State High School Leaders

Student Leaders

School Captains: Bree Jolley and Brendan Hoffman
School Vice Captains: Brooklyn Lade and Malachi Lade

Executives of the Senior Student Council

President: Isabelle Graham
Vice President: Balin Greive
Secretary: Jessie Groom
Treasurer: Angus Lade

Executives of the Junior Student Council

President: Segana Avery
Vice President: Bree Spinner
Secretary: Crystal Gilsson
Treasurer: Erin Applegate

Indigenous Student Leader

Zayiesha Morsch-Ivey

L-R: Brooklyn, Bree, Mayor Andrew Wilcox, (Whitsunday Regional Council), Brendan and Malachi

L-R: Senior and Junior Executives with Mr Jason Costigan (Member of Whitsunday)

L-R: Mr Jason Costigan (Member of Whitsunday) and Zayiesha
House Captains

Cook: Ben Cornish and Amy Stockow
Flinders: Aden Spence and Maddi Telford
Kennedy: Malachi Lane and Emma Hogan
Oxley: Angus Lade and Macy Fenech-Brebner

House Vice- Captains

Cook: Balin Greive and Heidi Moore
Flinders: Blake Farmer and Brooklyn Lade
Kennedy: Charlotte Brodie and Isabelle Graham
Oxley: Toby Gray and Kiri Adamson

Bursary Winners

Douglas Debney Memorial Bursary: Logan Donadelli
Bursary: Jessica Muller
George Telford Memorial Bursary: Lloyd
Dick Dray Memorial Bursary: Clode-Roberts

L-R: Logan, Jessica, Lloyd and Mr Danny Vander Berg (Wilmar Sugar – Proserpine)

Band Leaders

Georgia Summerfield-Fallon and Blake Farmer

L-R: Blake, Mr Jason Costigan (Member of Whitsunday) and Georgia

Mr Don McDermid
Principal

Deputy’s Bits

ASSESSMENT SCHEDULES

Assessment Schedules indicate when assessment tasks, for all subjects, in the relevant year levels are due over the course of the semester.

All year Assessment Schedules for Semester 1 were handed out to students last week. Parents, if the school has your email address you should have received a copy by now. Assessment Schedules for all year levels are available on the school website and also to the left of the newsletter under “ASSESSMENT SCHEDULES”.

Ian Dachs and David Gallagher
Deputy Principals

Business & Technology Area

“WE MEAN BUSINESS!”

The Year 10 Business Studies students are currently involved in completing the financial record keeping for a business. The course then moves into the enterprise section involving the students in:

- establishing a business, including choosing a product or service, creating a business name, seeding the initial funding and planning for the business
- managing the business, including department selection, budgeting, producing the product/service, marketing and financial management in business
- improving a business, including reviewing and problem solving
- closing down a business, including the closing process and evaluation.

The students will have their first selling experience at the Swimming Carnival on 20 February, where there will be products for sale. In the future they will be conducting their own small business enterprise, ultimately selling their selected products with an aim to make a profit.

Please help support this meaningful activity that allows students to use various business skills in a real life experience.

ITEMS ON SALE AT THE SWIMMING CARNIVAL
SUNGLASSES $7.00
TEMPORARY TATTOOS 50c OR $1 for 3
BUBBLES $1.00
**Sports Section**

**SCHOOL SWIMMING CARNIVAL**

Monday 20 February is the day we all act like fish and swim against the other houses in an attempt to be the Proserpine State High School swimming champions. The school day starts and finishes at the Proserpine Pool with buses dropping and picking up students from the venue. The swimming carnival (as is every sporting carnival) is a regular school day with the expectation of **ALL STUDENTS TO ATTEND**, swimming or not.

**SCHOOL SPORTS 2017**

The 2017 Sports Calendars can be viewed in the side panel to the left of the newsletter under 2017 Whitsunday Sports Calendar and 2017 Proserpine Sports Calendar. These show dates of the Whitsunday, Northern and State Trials. At times these dates may change slightly due to weather or other unforeseen circumstances.

Trials will be finalised this week and advertised along with the Whitsunday and NQ Trial information in the following newsletter.

**Assessment Schedule Changes**

**YEAR 9 BUSINESS STUDIES EXAM**

This exam (BST091B) which was to happen on Tuesday 21 February period 3 has now been rescheduled to Thursday 23 period 1. **DO NOT GO TO CARE GROUP.**

Please mark this change to your Assessment Schedule.

**eLearning Update**

**YEAR 7 TABLET ROLL-OUT**

This week the Year 7 students will be issued with their shiny, new device (if eLearning fees are up to date and paperwork completed). When the students receive their tablet, a range of important points will also be covered. These included: care and security reminders, the various network and drives available and the effective use of wireless connectivity.

Last week the Year 7 students completed an induction workshop covering the overall responsibility and guidelines of the program. Topics included:

- Care of self and body
- Use of the laptop at school
- Responsibility and security
- Identification and personalisation
- Accessing technical support
- Reporting faults
- Care and cleaning
- Use of the laptop at home
- Internet usage
- Software and downloads
- Complying with copyright
- Hard drive – a game and movie free zone!
- Auditing

A further skilling session will happen in the next week. Exciting times ahead!

**Laptops need to be brought to school**

There are a large number of students in the program who are not bringing their laptops on a daily basis. This device is important to the student’s learning and it is an expectation that is available in class each lesson. Having the device at school and then taking it home provides a seamless transition of their education, maximising their learning potential. There is limited availability of devices for loan and students who are part of the eLearning program will not be issued with one of these library resources.

PLEASE NOTE: Students turning 12 this year are attached to the 10-12 years trials. The dates for the Proserpine District
I am sure that the reduced class sizes from 27 on average to 24 students on average per class is a strategy that you support; even if it affected your child changing core class.

UNIFORM

Students have continued to be well presented in their formal and day uniforms as outlined in their Junior Secondary Student Diary. Students have generally responded positively to correcting socks, shoe and jewellery requirements. There are still, however, a number of students whose shoes do not comply with the uniform policy. I recommend that parents read the diary especially pages 13 to 15 which clearly outline the uniform requirements.

LAPTOPS

Last week, Year 7 students began induction lessons in preparation to receiving their laptops. Over the course of this week, laptops will be issued to students who have elected to be part of Proserpine State High School e-Learning Program. These will become a valuable tool in student learning and as such students must ensure that they follow the expectations regarding use and care of their device.

ASSESSMENT PLANNERS

On year level assembly last week, students were provided with Semester One Assessment Planners. These planners provide an overview of all assessment requirements for the semester. Students and parents should take the opportunity to familiarise themselves with the assessment requirements. The school diary contains additional information regarding PSHS assessment policies and procedures.

PERSONAL TECHNOLOGY USE

For Year 7 students entering high school it is more than likely the first time that they have been able to access personal technology at school. Students need to exercise great care when using these devices at school to ensure that their actions do not impact on others. I urge all parents and students to become familiar with the school’s policy regarding the use of personal technology. The policy can be found in the school diary on page 21. This policy clearly states the appropriate use and consequences of misuse of these devices.

YEAR 7 PARENT INFORMATION NIGHT

On Thursday 16 February we will be conducting a Year 7 Parent Information Evening. The evening will commence at 6:30pm in the school’s Resource Centre (library). The night will begin with a short whole group session after which we will move into core class groups which will provide parents with the opportunity to meet their child’s core teachers.

BEHAVIOUR AND EFFORT INCENTIVE PROGRAM

Once again this year we will be running the Junior Secondary Behaviour and Effort Incentive Program. This program seeks to recognise and reward those students who consistently demonstrate a high standard of behaviour and effort within the classroom setting. Awards are determined by the ratings for effort and behaviour, given to students by their teachers, at the end of each term. Awards are not based on academic
achievement. To be eligible to receive an award students must achieve the following:

**Gold Award** – 100% excellent ratings (behaviour and effort) across all subject areas.

**Silver Award** – 80% excellent ratings and 20% very good ratings (behaviour and effort) across all subject areas.

**Bronze Award** – Any combination of excellent ratings and very good ratings.

**JUNIOR SECONDARY HUB**

The Junior Secondary Hub (N8) is open at lunch time on Monday, Wednesday and Friday. The Hub provides a place for Junior Secondary students who are looking for a place to meet new people or spend some quiet time out of the playground. All Junior Secondary students are welcome.

**SWIMMING CARNIVAL**

The school swimming carnival will take place on Monday 20 February 2017. Students who usually travel to school by bus will be dropped off and picked up from Proserpine Pool. Students who travel to school by other means must make arrangements to be dropped off and picked up from the pool.

**JUNIOR SECONDARY CAMPS**

This year, school camps will be held for Junior Secondary students in Year 7 and Year 9.

- **Year 7** – Camp Kanga (**Wednesday 1 March - Friday 3 March**)
  Year 7 parents should have received information regarding the Year 7 camp. Permission forms, Special Dietary Requirements and Payment are due at school by 22 February 2017.

- **Year 9** – Magnetic Island Camp (**Monday 9 October – Friday 13 October**)
  Initial information regarding the Year 9 Magnetic Island Camp will be sent home in the coming weeks.

**Updates from the Coordinators**

**YEAR 12 COORDINATOR**

The senior class of 2017 have definitely hit the ground running on their return to school. We have had a busy start back with the Pathways to Success Day and SET Plan Interviews kicking the year off. Overall the feedback on the Pathways to Success Day was very positive, with many students commenting on the benefits of instigating an immediate focus on their studies and their goals. This fed very well into the SET Plan Interviews the following day, as students understood the purpose of the interview and were well prepared for it. Opening the communication pathways between students, their parents and the school regarding student goals allows everyone to do everything they can to help set strategies for seniors to achieve.

The Senior Leaders were also inducted into their roles at the 2017 Induction Ceremony and following this have been involved in leadership development workshops. Not only did these workshops develop the student’s leadership skills, they also gave them the opportunity to create strategic plans within their leadership committees for the year ahead. The students are becoming very aware of how busy Year 12 can be. Please encourage your son/daughter to plan their time well to ensure that they are getting a healthy balance between their studies, work and relaxation.

Health Matters

IT’S SWIMMING CARNIVAL TIME – 20 February 2017

SUN SAFE POINTS FOR CARE GROUPS!!
LET’S HELP KEEP THE MELANOMAS AWAY
SLIP, SLOP, SLAP and WRAP!!!

- **SLIP ON A SHIRT** - Preferably one with long sleeves and a collar. A close weave fabric will give more protection from ultraviolet rays. Natural fibres such as cotton, linen and some rayons are much cooler to wear than synthetic fibres.

- **SLOP ON SUN SCREEN** - Sunscreen should be:
  - SPF 30 or higher
  - broad spectrum
  - water-resistant

- **SLAP ON A HAT** - A hat with a wide brim (8-10cm) or legionnaire style will protect your face, ears and neck. A dark coloured hat is best with a dark colour under the brim to stop reflection onto the face.

- **SUN GLASSES** - For maximum protection from UV radiation, sunglasses must:
  - comply with Australian standard 1067 (1990)
  - offer 99% protection from UV radiation
  - be a close fitting, wrap around style.

- **DRINK LOTS OF WATER** - We all should be drinking a minimum of 6-8 glasses of water each day. To avoid dehydration, please remember to bring your water bottles and refill with water throughout the day.

Let’s have a SUNSMART time!!!

IMMUNISATION DATES 2017

**Wednesday 15 February**
Year 7 girls and boys – Human Papillomavirus Vaccination HPV (1 of 3) and dTpa (Diphtheria, Tetanus and Pertussis [Whooping Cough])

**Tuesday 18 April**
Year 7 girls and boys – Human Papillomavirus Vaccination HPV (2 of 3)

**Thursday 17 August**
Year 7 girls and boys – Human Papillomavirus Vaccination HPV (3 of 3)

Please contact your doctor or the Australian Childhood Immunization Register on 1800 653 809 if you need to check your child’s records.

If your child is not here on these days and misses out on their vaccinations then you need to contact the hospital or make arrangements with your local doctor/GP to have these done.

HEAD LICE
It has been brought to our attention that there have been some cases of head lice within the school. Please check your children’s hair and treat if lice are present.

For further information on any of the above, please contact me.

Yarning Circle

LEGO ROBOTICS

Limited seats available so get in early! Book your seat NOW!

The event is aimed at indigenous student via STEM funding and is extended to non-indigenous students if seats available.

See yah when I’m looking at yah.

Expressions of Interest

Queensland Youth Parliament is an exciting, non-partisan opportunity for youth to share their views and influence government decision-making. It is the largest non-partisan forum for youth aged 15-25, and is available to young people all across Queensland.

In its 22nd year, the YMCA Queensland Youth Parliament has a long history of providing Queenslanders aged 15-25 with unrivalled opportunities for personal development, civic
engagement and employment pathways. Participants are provided with year-long mentoring and support by previous participants to engage with their local communities to represent the issues that matter to themselves and local residents, while maintaining strong links to the Executive and Parliamentary dimensions of Government. Many past Youth Members have gone on to pursue interesting and varied careers, including in politics. The program provides a fundamental link between young people and the Queensland State Government. The bills that are written and debated in Youth Parliament are then considered by the actual State Parliament.

Our program is ultimately one of the best opportunities for young people to have their voices heard and create change in their community. The issues young people face around the state deserve to be listened to and solved.

Applications opened on Monday 30 January 2017, for the 2017 program. The closing date for nominations is Monday 27 February. A young person will be selected to represent one of the 89 state electorate seats, or one of the four fully funded indigenous seats, across Queensland for the duration of the 2017. Youth Member selections are based on a number of factors including regional and remote representation, diversity, enthusiasm and personal development potential.

We are seeking a young person that you know within your community and within your organisation to stand up for themselves, their communities and your organisation. They don’t have to be a great public speaker to apply, just as long as they’re passionate.

We would love to see a young person you know from Proserpine State High School to nominate. Nominations close 27 February.

https://www.facebook.com/ YMCAQueenslandYouthParliament/?fref=ts
http://www.ymcaqyp.org.au

I have attached an electronic version of our brochure for your perusal.

If needing clarification please contact Mrs Nicolson in A Block staffroom.

QUEENSLAND YOUTH GOVERNOR
YMCA QUEENSLAND YOUTH PARLIAMENT

For Sale by Tender

CHILDREN’S CUBBY HOUSES

- 2 x children’s cubby houses are available for purchase by tender;
- These cubby houses were constructed by students as an educational exercise and as such construction is not to an Australian Standard;
- These items are being sold on an “as is-were is” basis;
- Cubby’s can be purchased by tendering for individual lots;
- Inspection can be arranged by calling the school on 4945 0111 and speaking with Ben Whybird to arrange for a suitable inspection time between Wednesday 15 February and Friday 3 March, 8am to 4pm;
- The successful tenderer is responsible for all costs associated with removal from the school site by Friday 10 March;
- Negotiations for removal timing and access to school grounds is by negotiation with Mark Connors;
- Tender forms are available from the school office or by opening the form below.
- Tenders close 4pm on Friday 3 March 2017.

Resource scheme fees are now OVERDUE.

Please be aware that the school resources are not issued to students until they become a financial member of the Student Resource Scheme. If $220 full payment is unable to be made at this time, term payments of $55 are offered. Non-payment may be due to an oversight. Please check your records and if the resource fees have not been paid for your student, please pay immediately. It is very beneficial for families to join the scheme as it is the students who benefit from fees paid, not the school.

Unpaid Student Resource Scheme fees have a significant impact on the school’s budget and therefore the resources/services we can provide students.

If there are special circumstances for resource fees remaining unpaid, please notify the school to discuss a payment plan. In order to be of assistance to families, good communication with the school is essential. If a payment plan is in place, students will be issued with school resources.

Please remember to sign and return the Participation Agreement Form (Application to Join) when paying your fees.

Student ID cards will only be given to students who are up to date with their resource fees.
General Information

REMINDER

All text books, library books and other resources from 2016 must be returned to the Resource Centre with an accompanying note clearly indicating the name of the returning student. It is vital that every effort is made to return the resources booked out to your student from last year so that you do not receive an invoice for outstanding items. These unreturned resources are depriving other students of their use in 2017.

HOMEWORK CENTRE

The centre is open every Tuesday and Wednesday afternoons in the Proserpine State High Resource Centre from 3pm until 4pm. This is an opportunity for students to work on homework, assignments or study. This is a free service offered by the school and there are teachers available for assistance if required. Late bus passes to catch the 3:45pm bus can be issued to the students who reside in Cannonvale, Airlie Beach or Jubilee Pocket.

For any further information please contact Marijke Kuypers, Head of Department – Teaching & Learning on 4945 0153 or mkuyp2@eq.edu.au.

Competitions

HURRY! HURRY! HURRY!

Time is running out……………..

The Australian Geography Competition is an initiative of the Royal Geographical Society of Queensland and the Australian Geography Teachers’ Association. We would like to invite you to participate in the 2017 Competition.

Why enter? To receive certificates and results sheets for your portfolios, to compete for prizes given to the highest-performing geography students in each State and combined Territories in each year level receive books and special certificates, to be selected to participate in Geography’s Big Week Out on Kangaroo Island, South Australia, books, medals - and to get certificates for their portfolios, and to be selected to represent Australia at the International Geography Olympiad.

To enter: Place your name and details on the list at the office, see your geography teacher or see Ms McGrath at K Block staffroom by Monday 27 February. There is no cost. The participation day is Thursday 27 April period 1.
