Date Claimers

2014 IN THE SWIM CARNIVAL

Held at the Proserpine Pool
MONDAY, 24 FEBRUARY

ALL students are to go straight to the pool.
Helpers to time keep, judge, etc. are needed.
If you are able to help, please contact the school on 4945 0111.
Don’t forget to “Slip, Slop, Slap, Seek & Wrap”.
Oh, and don’t forget the fun bit!

P&C AGM MEETING

Invitation

The Proserpine State High School Parents and Citizens Annual General Meeting will take place on Wednesday 26 February at 7pm in the school administration office common room. The general meeting will follow at 7:30pm. P&C meetings are normally held on the 3rd Wednesday of each month, except for school holidays or otherwise notified. The main aim of the P&C is to support students and their teachers to have the best learning experience whilst at Proserpine State High School.

Parents/Guardians and interested community members are invited to attend.

YEAR 8 PARENT EVENING

Thursday 6 March 2014
Proserpine State High School Resource Centre (Library) at 6:30pm.

Policies and procedures of Proserpine State High School and an opportunity to meet some of the Year 8 teachers. Have a cuppa and a chat with your child’s teachers.

** Please bring along your child’s Student Diary and the Year 8 Assessment Schedule.

Please note: Students do not need to attend.

YEAR 8 CAMP

All Year 8 students are invited to attend the overnight Year 8 Camp at Camp Kanga on Monday 24 and Tuesday 25 March. Cost $73. Permission forms will be handed out during the week. All Year 8 students MUST attend.

Principal Perspective

STUDENT INVESTITURE CEREMONY 2014

The 2014 Student Leaders Induction Ceremony was held last week to formally recognise and introduce our school leaders to the school community. I congratulate these Year 12 students and applaud the confidence demonstrated while a number of them spoke for their first formal occasion. Many thanks to Danny Van Der Berg, the Regional Operations Manager of Wilmar and Councillor John Collins who attended the ceremony to present bursaries and badges. We thank Wilmar for their continued support of our students through Mill bursaries presented to our two highest achieving students from 2013, Mahmoud Abd El-Baky and Sarah Rodgers.

What I believe LEADERS do!

Leaders work for others – they put others first and place others opinions before their own
Leaders are positive role models – they set a good example for other students
Leaders work with others to achieve goals – they make things happen and don’t just talk about it
Leaders demonstrate integrity – they stand up for what is right and stand against what is wrong.

Student Leaders 2014

School Captains: Alice Ruddell and Logan Dachs
School Vice Captains: Isabelle Silberling and Byron Thompson
Executives of the Senior Student Council

President: Ashley Muller
Vice President: Josh Barrett
Secretary: Lara Mathews
Treasurer: Maddi Graham
Indigenous Student Leader: Caitlin Wharton
**House Captains**

Cook: Natisha Morsch-Ivey and Chad Stockings  
Flinders: Melinda Perry and Jack Jordan  
Kennedy: Janina Hauber-Six and Madlin Spruce  
Oxley: Natalie Milne and Sam Dinnie

**House Vice-Captains**

Cook: Kaitlin Reents and Bianca Sturma  
Flinders: Sarah Botta and Jordan McKean  
Kennedy: Juliette Wall and Shinae Barnett  
Oxley: Caitlin Wharton and Breana Chauntler

**Band Leaders**

Breana Chauntler, Lara Mathews, Ashley Muller, Laura Robson, Isabelle Silberling and Caitlin Wharton

**AUSTRALIA DAY AWARDS**

Congratulations to past student Charlotte Spruce and the Proserpine State High School Golden Jubilee Committee on their recent recognition at the Australia Day Awards ceremony. The awards are well-deserved and a true reflection of the dedication and commitment at a personal level and outstanding contribution to the community.

I congratulate all the award recipients and am extremely proud that they are associated with Proserpine State High School.

Community Event of the Year – Proserpine State High School Jubilee  
Junior Cultural Award – Charlotte Spruce

Principal

**NEW TIMETABLES, CHANGED YEAR 8 CORE CLASSES AND TEACHER CHANGES**

It has certainly been a busy few weeks with settling in our new students, a Senior Leader Induction Ceremony, school photos and a review of our timetable, staffing and class sizes. Our enrolment was officially recognised as 907 students on day 8. As occurs most years, alterations are required to classes to manage class numbers. All decisions affected by timetable changes will start today, 17 February.

With a few additional enrolments into Year 8, we have decided to increase the number of core classes from 6 to 7 groups. All Year 8 students will have a new timetable and will be with a new group of students and teacher starting today.

We have seen the return of most of our Year 10s from last year and this year we have started with an enrolment of 190 students in Year 11. This means that there are some classes and/or students that may be affected with timetable changes to manage class sizes.

All Year 8 to 10 students have been informed that subject changes are finalised and must remain in their choices for the remainder of the semester. We will continue to work with Year 11 and 12 students to determine if changes at this stage are appropriate. Any change now made by a senior school student will involve Head of Departments and the Guidance Officer before changes take place.

All Year Assessment Schedules for Semester 1 were handed out on Wednesday. Parents, if the school has your email address you should have received a copy by now. Assessment Schedules for all year levels are also available to the left of the newsletters under FORMS AND DOCUMENTS.

**Alison Rodgers**  
Deputy Principal

---

**Home Economics Department**

We have had an overwhelming response to our Rotary Chef’s Competition. Ten teams have nominated for the junior competition. Two teams have nominated for the senior competition, however, more teams would be an advantage. Cook off for the seniors is Friday 14 March and juniors 28 March. Ms Teakle in K staffroom has all the information for the competition.

Early Childhood students will be out and about checking baby feeding apparel and our Year 11s and 12s have started their work at TAFE each Thursday afternoon working towards their Certificate II and III in Hospitality.

Textile enthusiasts are reminded to start their planning for Mackay Festival of Fashion and Australian Wool Competition. Students will be given more information as the time approaches.

**Kellie Klupfel**  
Head of Department – Home Economics and Senior Schooling
WHITSUNDAY SQUASH TRIALS

Proserpine State High School again sent a strong contingent of squash players to the Whitsunday Trials held this year for the first time at the Bowen PCYC courts on 6 February 2014. Our girls, State Representative, Alice Ruddell, NQ Representative, Joanna Ruddell and Malieka Boyd did not have to go to Bowen due to a lack of competitors, unfortunately, because like all sports people they would thrive on competition. These three now automatically travel to Townsville on February 18 for the NQ trials.

Senior Boys also lacked any competitors from other schools, but there were sufficient numbers for Prossie to require playoffs and all were quite competitive. Liam Hinschen, Patrick Mahood, Bryce Selman and James McCall ended the day as the final four to travel north.

Junior Boys were the only age group where any competition was provided from other schools, but it was a good competition. Three boys from the new St Catherine’s High School Campus travelled up to Bowen to play our boys and one Bowen student. Ethan Clegg from St Cath’s, in particular was a strong player and ended the day chosen as Whitsunday’s number one player, to travel north with Matt Drennan and Riley Mercieca and the Bowen player.

The strength of players interested in playing school and district level squash from both Proserpine State High School and St Catherine’s is largely thanks to the coaching devotion of parents, Tony Hinschen and Julie Ruddell, who give up their Friday afternoon relaxation to coach the junior players at the Proserpine courts. Tony in particular, has spent many years coaching both tennis and squash juniors in Proserpine.

Thank you both, Julie and Tony.

Roger Madsen

SCHOOL SWIMMING CARNIVAL

Monday 24 February is the day we all act like fish and swim against the other houses in an attempt to be the Proserpine State High School swimming champions. The school day starts and finishes at the Proserpine Pool with buses dropping and picking up students from the venue. The swimming carnival (as is every sporting carnival) is a regular school day with the expectation of ALL STUDENTS TO ATTEND, swimming or not.

Andrew Cox
Head of Department – Health & Physical Education

YEAR 8 ROLL-OUT

Year 8 laptops are in the process of being issued and students will be experiencing the various uses of these in the classroom. When the students received their device a range of other important points were covered. These included: care and security reminders, the various network and drives available and the effective use of wireless connectivity. Power and keyboard chargers should remain at home. Students have been issued with a stylus to assist with their tasks. This needs to be kept safe! A lost stylus will incur an $18.00 replacement cost.

Use laptops on a hard surface

This provides stability and appropriate airflow. If the device is to be used on a soft surface (e.g. sofa, bed or carpet) this should only be for a short amount of time and periodically check the temperature underneath the laptop. Do not place the device in an area that may get very hot e.g. close to desk lamps. Additionally avoid exposing the laptop computer to direct sunlight, dust, dirt, magnets, heavy shock or vibration.

Laptops should not get wet!

Even though they will dry and appear to operate normally, the circuitry could slowly corrode and pose a safety threat. Any spills on the laptop should be reported to the technical support team in the Resource Centre so its performance can be monitored. Therefore, to avoid this situation do not have liquids or food near the device.

Charge the laptop nightly

Leave the power cord at home. A number of students are bringing their cords to school expecting to charge their device in class. This is not always possible or suitable for the lesson. It is the student’s responsibility to have the laptop fully charged ready to start the school day.

Installing or downloading software

Make sure it is saved on data (D:) drive and check the installation/download meets copyright regulations. Only use trusted sources or websites to install, download or transfer information. Some students have added programs that have caused conflicts with the daily operation of the device. Be mindful any installation could clash with the programs already provided. Games and movies are not to be stored on the hard drive of the laptop.

Repair form

If a student presents a laptop to the technical support team for a repair due to accidental damage, a form will go home to the parent/guardian requiring details of the event that led to the damage. The form will need to be returned to the technical support team before the laptop is registered for repair.

Reminders for students:

- Programs requested by the teacher will be used to complete class activities. Software programs provided by the school will be the only ones used during class.
- Licensed software suitable to a school environment can be loaded onto the laptop.
- Images and photos stored on the device must be suitable to be viewed by anyone under the age of 18.
- The school can conduct audits of the hard drive contents at any time and may request the laptop be returned if the Student Laptop Charter has been breached.
• Reasonable steps to prevent a virus from infecting the laptop must be taken, including monitoring any data that is downloaded or transferred onto the laptop from the internet or other device. Virus checking of USB drives used on the laptop should be conducted.

• Please back up/copy data on the D: drive of the student computer on a regular basis to either a USB memory stick or the network drive at school.

• Only school data is to be stored on the H: drive of the server. Audio, movie and game files are prohibited on the school server.

Deb Brown
Head of Department – Business & Technology

An Update from the Coordinators

YEAR 8 COORDINATORS

The Year 8 students have been very busy during the past three weeks as they have participated in the Tablet Induction Presentations, received their electronic device (tablet) and were well presented in their school uniform for school photos. Students have also been punctual to class and well organised with their coloured folders, diary and pencil case.

Your son/daughter also received a copy of the Year 8 Assessment Schedule/Planner which provides the students, parents and teachers with a list of assessment dates (assignments and tests) for Term 1 and Term 2. This is a MUST USE document and we recommend using a highlighter to identify subjects and key dates, and keep it in a highly visible location. If the school has your email address then you should have received an electronic copy of the Assessment Schedule.

We are expecting that Year 8 students are very excited about receiving their electronic devices. Last weekend was probably filled with your son/daughter investigating various features of the device. Perhaps your child could explain what they have discovered so that you are comfortable in supporting their usage.

Week 4 marks the beginning of seven Year 8 Core classes. Classes have been reduced in size which will allow students greater access to their core teacher, increased flexibility in seating arrangements and more opportunities to improve the student-teacher relationship. Groupings are based on recommendations made by the Cannonvale and Proserpine State Schools. Elective classes have not changed. Any concerns please contact the school administration.

Students have marked the Parent Information Evening in their diaries. The evening is being held on Thursday 6 March in the Proserpine State High School Resource Centre (library), commences at 6:30pm and consists of a formal and informal session. The formal session will address:

• communication with teachers
• parent/teacher interview process
• homework and assessment
• electronic devices
• Uniform Policy

The informal session is an opportunity for parents to ask questions about the many aspects of Junior Secondary, Year 8 and Proserpine State High School.

A number of Year 8 core, elective and support teachers will be in attendance for parents to meet their child’s teachers.

Thank you for supporting your child to be an organised and focused learner.

Mrs McHugh & Ms Rasmussen
Year 8 Coordinators

Industry News

2014 has begun with a huge interest in work experience from students, with many already having their request forms in for the Easter holidays and beyond. 30 students participated in work experience at the end of term last year and I received wonderful feedback from employers. Some students were so impressive they were asked to continue in their holidays in a paid position. There were also full time and school based traineeships offered. These offerings were due to students having a great attitude and work ethic. Well done!

Work experience is a wonderful opportunity to sample and explore potential career choices and gather some ideas, skills and information about the world of work……..how do you know, unless you give it a go?? Students complete a logbook while they are at work experience. When this is returned to school after the placement, their work experience hours are recorded and students receive a certificate for their resume and feedback from the employer.

Senior Schooling & Industry Liaison Officer

Health Matters

IT’S SWIMMING CARNIVAL TIME – 24 February 2014

SUN SAFE POINTS FOR CARE GROUPS!!!

LET’S HELP KEEP THE MELANOMAS AWAY
SLIP, SLOP, SLAP and WRAP!!!

SLIP ON A SHIRT - Preferably one with long sleeves and a collar. A close weave fabric will give more protection from ultraviolet rays. Natural fibres such as cotton, linen and some rayons are much cooler to wear than synthetic fibres.

SLOP ON SUN SCREEN - Sunscreen should be:
- SPF 30 or higher
- broad spectrum
- water-resistant

SLAP ON A HAT - A hat with a wide brim (8-10cm) or legionnaire style will protect your face, ears and neck. A dark coloured hat is best with a dark colour under the brim to stop reflection onto the face.

SUN GLASSES - For maximum protection from UV radiation, sunglasses must:
- comply with Australian standard 1067 (1990)
- offer 99% protection from UV radiation
- be a close fitting, wrap around style.

DRINK LOTS OF WATER - We all should be drinking a minimum of 6-8 glasses of water each day. To avoid dehydration, please remember to bring your water bottles and refill with water throughout the day.

Let’s have a SUNSMART time!!!

Cheers,
Karen Dachs,
School Based Youth Health Nurse
Monday, Tuesday and alternating Wednesday
on 4945 0112 from 8am to 4pm

Student Resource Scheme 2014

RESOURCE SCHEME FEES ARE NOW OVERDUE.

Please be aware that the school resources are not issued to students until they become a financial member of the Student Resource Scheme. If $220 full payment is unable to be made at this time, term payments of $55 are offered. Non-payment may be due to an oversight. Please check your records and if the resource fees have not been paid for your student, please pay immediately. It is very beneficial for families to join the scheme as it is the students who benefit from fees paid, not the school.

Unpaid Student Resource Scheme fees have a significant impact on the school’s budget and therefore the resources/services we can provide students.

If there are special circumstances for resource fees remaining unpaid, please notify the Principal on 4945 0111 or Megan Drennan, Finance Officer on 4945 0101 to discuss a payment plan. In order to be of assistance to families, good communication with the school is essential. If a payment plan is in place, students will be issued with school resources.

Please remember to sign and return the Participation Agreement Form (Application to Join) when paying your fees.

Assessment Schedule Changes

YEAR 12 BIOLOGY EEI ASSIGNMENT

The assignment which was due in on Friday of Week Beginning 24 February is now due Friday of Week Beginning 24 March. Please make the changes to your Assessment Schedule.

YEAR 8 EXAM

In your Assessment Schedule it states that the ‘In Class Science Exam – Chemistry’ is in Week Beginning 10/03 please mark this change to Week Beginning 24/03 as stated in the YEAR 8 ASSESSMENT SCHEDULE to the right under FORMS AND DOCUMENTS.

Please see me in F HODs room if you have an concerns.

Jodi Gibson
Head of Department - Science

Canteen

We have started our weekly Friday Subway day this term. Let us know if you have a favourite sub you would like to see included on the menu. Also remember to listen to the daily notices for specials and meal deals.

Our volunteer roster is filling up nicely for the year however, we still need a volunteer for a big lunch (12:30-2pm) on Monday, and a little lunch (9-11am) on Tuesday to help things run smoothly.
The school **CANTEEN WILL BE CLOSED** on Monday 24 February for the Swimming Carnival.

*Cheers from the canteen ladies...*

**General Information**

**UNIFORM STORE**

The Uniform Store opening times are 8:30am to 10:30am, Monday and Wednesday ONLY.

**Competitions**

**THE AUSTRALIAN SCHOOLS’ GEOGRAPHY COMPETITION**

Parents, carers! Encourage your child to be challenged by entering the competition to be held on Monday 31 March. Have them sign up with your Humanities/Social Sciences teacher, or Mrs Nicolson in A staffroom to sit the competition. Check out the website for more details - [www.geographycompetition.org.au](http://www.geographycompetition.org.au)

**ATTEND ANZAC COVE CENTENARY COMMEMORATIONS**

Queensland students now have a better chance to be involved in historic Anzac Day centenary commemorations in Gallipoli after the Queensland Government announced 30 extra places for the 2015 Premier’s Anzac Prize.

Seventy students will be selected to take up a once-in-a-lifetime opportunity in 2015 to travel to Gallipoli and the Western Front and attend the Anzac Centenary commemorations at Anzac Cove.

The 2015 competition opens this Anzac Day and Year 8-11 students will be required to submit an original 2-5 minute multimedia presentation about the Anzac tradition.

For ideas, students can view tour reports and footage from previous Premier’s Anzac Prize tour groups by visiting: [http://education.qld.gov.au/students/grants/scholarships/anzac/2013-tour.html](http://education.qld.gov.au/students/grants/scholarships/anzac/2013-tour.html).

Queensland’s centenary activities are documented on the Anzac Centenary website at: [www.qld.gov.au/Anzac100](http://www.qld.gov.au/Anzac100).

The Proserpine Youth Club Inc. is pleased in inviting you to attend its Annual General Meeting.

Date: Thursday 20th February 2014
Time: 5:30-7pm
Venue: Proserpine Youth Space
38 Main St, Proserpine

RSVP: Monday 17th February to Rachel, on 4945 8280 or Email: proserpineyouthspace@gmail.com

Join us in celebrating our achievements in 2013 and looking forward to the challenges and successes to come in 2014.

Refreshments will be provided. Partners are welcome.

Young Mum’s Group

- Are you a young Mum or an expecting young Mum?
- Are you aged between 14 and 19?
- Are you disengaged from education for 3 months or more?

Do you want to meet other young Mum’s?
Do you sometimes feel isolated or unsure?
Do you want parenting tips or pregnancy support?
Do you wonder what flexible study options are available for you?

Is this you?

Why don’t you and bub come along to
Proserpine Youth Space
38 Main Street, Proserpine
10:30am - Wednesday, 19th February
for morning tea and a chat.

If you have transport issues or need more information contact
Caitlin on 0427 633 625 or 4957 6624

foster CARER
could you be one?

Foster carers are as different as the young lives they transform.

Churches of Christ Care Pathways support their carers with training, advice and access to local resources to enable them to provide the best home environment for the children and young people in their care.
