31 March 2014

**Date Claimers**

**CARE CARNIVAL – 4 APRIL**

Fun, filled day for all!! Don’t forget to come in your house colours.

The Care Carnival is a regular school day with the expectation of ALL STUDENTS TO ATTEND.

**TERM 1 REPORTS**

End of Term 1 reports will be emailed out to parents, so if you have any changes or updates to your email address please notify the school so we can make the appropriate modifications.

**Principal Perspective**

**NATIONAL DAY OF ACTION AGAINST BULLYING AND VIOLENCE**

On Friday 21 March Proserpine State High School participated alongside hundreds of other schools across Australia in the National Day Against Bullying and Violence. At Proserpine State High School we are committed to ensuring the safety and wellbeing of all students. I have clearly outlined to students our underpinning school value of Respect and particularly the importance of being respectful to others. Unfortunately bullying exists in all schools and all communities however our school is working with the students to give them a better understanding of the issue and strategies to deal with such behaviour. A zero tolerance towards fighting and violence is also held at our school and students found to be in breach of this expectation, including those found encouraging fighting, not acting protectively or recording on phones will be dealt serious consequences.

Our students in Year 8 and across the school have begun engaging in our STAND UP Against Bullying Program, learning what is bullying, the possible effects on people who are bullied and how to help each other when bullying occurs. During the Year 8 Camp students spent time over the two days working through several activities allowing them to develop skills to be proactive in “standing up” to bullying. Also, throughout care groups this term students from all year levels have undergone activities reinforcing the clear message of our STAND UP Program and the importance of activity supporting others in our school.

The STAND UP Program is based on the Mind Matters program that has been developed by Education Queensland. If parents want to know more about the activities then please visit the following site: [http://www.mindmatters.edu.au](http://www.mindmatters.edu.au)

I thank our Student Support Services Team and Behaviour Support Teacher, Chris Lane for their ongoing implementation of this program and structuring strategies to ensure student wellbeing is a highest priority at Proserpine State High School.

Mr Don McDermid
Principal
Mathematics Department

INTERNATIONAL Pi Day

March 14, or the third month and the fourteenth day, or 3/14, or 3.14. Whichever way you look at it, Friday 14 March was International Pi (π) day. A day that we celebrate the number pi, and being a little irrational! My mathematics students celebrated the day with apple π and blueberry π. Needless to say, many students’ circumferences increased as a result of eating too much π!

Jacqueline Avery
Mathematics/Science Teacher

Science Department

BaSECAMP

The annual Science Trip is back on! For Years 10 and 11 students who are currently studying elective Science or Mathematics B, this is the trip for you. If you are thinking of going to university to study science, engineering, sports science or health science, then this is a great opportunity to come and check out the University of Queensland, and much more.

Forms and the first letter are now available from your science teacher or from Mr Pinel in A Block Staffroom. Total cost is approximately $580 for three days and four nights, and covers all flights, accommodation, breakfasts, dinners and all entry fees. A deposit of $150 is due to the office ASAP if you want to reserve your place.

Steve Pinel
Science Teacher

From the Japanese Department

Host families wanted

We’re still about five host families short to host our sister school from 27 July to 6 August 2014.

Phone (0945 0111) or see Mr Doherty in the Science and Language Centre for more details.

Michael Doherty
Japanese Teacher

Arts News

STATE HONOURS ENSEMBLE PROGRAMME (SHEP)

In Week 6 of this term Isabelle Silberling, Ashley Chauntler, Laura Robson, Lara Mathews, Cody McCarthy, Heidi Mathews, Breana Chauntler and Ashley Bels attended the State Honours Ensemble Program in Cairns. During the three day workshop, the students were involved in master classes with conductor Ken Waterworth from the Conservatorium of Music in Brisbane. There was a concert on the last day of the workshop where all of the ensembles came together to give a magnificent performance. The students gained valuable musical experience from both the conductor as well as interacting with other music students from other schools.

Jenny Napier
Head of Department - The Arts

Sports Section

CARE CARNIVAL – FRIDAY 4 APRIL

The last day of Term 1 brings out the colour and fun of the Care Carnival. Twenty-eight care groups go head-to-head competing for the coveted Care Carnival Trophy. Teams will be challenged in novelty events ranging from target ball and two-ball soccer to the great crate relay and caterpillar races. Whilst we all like winning, participation is the number one goal of the day, so good sportsmanship, sun safety and a positive
attitude shall be seen by all. So dress in house colours and come celebrate the best day of the year.

P.S. Go Flinders!

Ben Smith and Nicky Ryan
HPE Teachers

HOLIDAY LAPTOP CLEAN-UP!

For some students this is long overdue, so treat your laptop to a good clean.

- Remove the dirt and grime on the keyboard and the outside of the laptop with a warm damp cloth or an anti-bacterial wipe.
- Gently clean the screen with a warm damp microfiber cloth or LCD screen cleaner.
- Copy your data to an external device.
- In OneNote close all of the notebooks that you will no longer need (right mouse click and choose ‘close this notebook’ option).
- Do a file management clean-up of your hard drive files. Do you really need all of this term’s schoolwork on your hard drive?
- Scrub the carry case with a hard bristled brush and warm soapy water (pay extra attention to the bottom of the case that sits on the desk). Place the case in a well-ventilated area to dry.

Over the holidays, extra care in the use and storage of student laptops will be needed. Without being in a school routine, the excitement of holidays and visitors, there can be a greater risk of damage occurring. Please make sure all laptops are stored in a safe place away from little fingers, floors, beds and animals!

Installing or Downloading Software

Make sure it is saved on Data (D:) drive and check the installation/download meets copyright regulations. Only use trusted sources or websites to install, download or transfer information. Some students have added programs that have caused conflicts with the daily operation of the device. Be mindful any installation could clash with the programs already provided. Games and movies are not to be stored on the hard drive of the laptop.

Repair Form

If a student presents a laptop to the technical support team for a repair due to accidental damage, a form will go home to the parent/guardian requiring details of the event that led to the damage. The form will need to be returned to the technical support team before the laptop is returned and logged for repair.

Reminders for students:

- Programs requested by the teacher will be used to complete class activities. Software programs provided by the school will be the only ones used during class.
- Licensed software suitable to a school environment can be loaded onto the laptop.
- Images and photos stored on the device must be suitable to be viewed by anyone under the age of 18.
- The school can conduct audits of the hard drive contents at any time and may request the laptop be returned if the Student Laptop Charter has been breached.
- Reasonable steps to prevent a virus from infecting the laptop must be taken, including monitoring any data that is downloaded or transferred onto the laptop from the internet or other device. Virus checking of USB drives used on the laptop should be conducted.

Deb Brown| HOD Business & Technology

YEAR 8 COORDINATORS

Last week was a rewarding yet tiring week for the Year 8 students. The week commenced with 134 of the students attending the inaugural Year 8 Camp held at Lions Camp Kanga. The two day camp provided opportunities for the students to make new friends, gain a better understanding of their class mates while completing team building activities, reflect on anti-bullying practices and the strengths and weaknesses of the first term of Year 8. Participants laughed their way through the Mock Olympics on Monday night as well as enjoying nutritious meals including a delicious chocolate birthday cake. There were many positive outcomes including the Camp Kanga staff complimenting the students on their manners, students demonstrating initiative in volunteering to clean up, wash up, etc. Of course, there are many stories that could be shared however “what happens on camp stays on camp”.

Students who were unable to attend participated in similar daytime activities as those students at Camp Kanga.

Mock Olympics at Year 8 Camp

Natalyia Gordon, Jacque Goodwin and Sophie Faust participating in the “Pass the Hoola Hoop” relay.

Year 8 boys demonstrate their competitiveness in the inchworm relay.

The remainder of Week 9 required students to be organised as they submitted assignments for elective subjects.

This is the final week of Term 1 and requires students to remain academically focused as they complete Mathematics
and Science exams plus any additional assessments according to the planner.

Your son/daughter will experience Care Carnival on Friday 4 April, the last day of Term 1. This event is well-known by the students at Proserpine State High School as “the best day of the year”. Your child will work with the members of their care group to complete a variety of tasks. Activities include the obstacle course, AFL frisbee, tackle bag relay and two-ball soccer. Care Carnival will provide an excellent end to the first term of Year 8.

Term 2 commences on Tuesday 22 April as Monday 21 April is Easter Monday.

We recommend that students check their stationary supplies during the holiday period and pack their bag in preparation for Tuesday. Safe travels over the holiday period and we look forward to seeing your child refreshed on return to school on Tuesday 22 April.

HIRAGANA BLACK BELTS

Congratulations to the following Year 8 students who have achieved 100% in their Hiragana test, Vania Ehrnst, Tessa Munster, Tara Duncan, Talah Spillane, Rebeka Beverage, Darcy Larkin and Tammi-Leigh Ludwig.

---

From the Guidance Officer

ATTENTION SENIOR STUDENTS

Don’t miss out on the following scholarship applications and events:

• The Peter Doherty Awards for outstanding Senior Science students valued at $3000. Closing date 2 May, 2014. See under Competitions in this newsletter for more information.

• A five day conference with the Australian Youth Aerospace Forum (AYAF) for students in Year 11 and 12 who are interested in investigating careers and pathways in the aerospace industry. In 2014 the AYAF will be hosted at the University of Queensland (UQ) from 30 June – 4 July, with day trips to other universities and industry locations.

• Tutors Worldwide recruits gap tutors for a number of schools in the United Kingdom. Information at http://www.tutorsworldwide.org/. It is important to note that the closing date for applications for 2015 is 10 April 2014.

Go to Senior Options on the side panel to the left of the newsletter to find out about more scholarships and career news.

Health Matters

CARE CARNIVAL

Which care group is going to be the MOST SUN SAFE come 4 April?

Once again points will be given to each care group for each student and their care group teacher’s who come to the Sun Safe table WEARING their OWN:

SUN SAFE HAT
SUN SAFE SHIRT
SUNGLASSES and of course
APPLYING SUNSCREEN.

Any student who doesn’t want to participate in the day’s FUN activities for whatever reason, talk to your care teacher and you can help out on the Sun Safe table and get bonus points for your care group.

Let’s have a SUN SAFE CARE CARNIVAL and who knows… if you SLIP, SLOP, SLAP, WRAP and SIP now, you might miss out on having melanomas later on in life!!!

Don’t forget to bring along your water and DRINK UP!
If there are any parents out there who would like to volunteer some time to help man the table, you are more than welcome to come along and help out.

ATTENTION PARENTS OF YEARS 8 AND 10

School Immunisations for Year 8 - Tuesday 29 APRIL

Year 8 boys and girls:
- Varicella (Chicken Pox)
- Human Papillomavirus vaccination HPV (2 of 3)

School Immunisations for Year 10 - Wednesday 30 APRIL

Year 10 boys:
- Human Papillomavirus vaccination HPV (2 of 3)
- Catch-up dTpa (Diphtheria, Tetanus and Pertussis [whooping cough])

If your child is not here on the day and misses out on their vaccination then you need to contact the hospital or make arrangements with your local doctor/GP to have it done.

For further information, please contact me.

Cheers,
Mrs Karen Dachs,
School Based Youth Health Nurse
Monday, Tuesday and alternating Wednesday
on 4945 0112 from 8am to 4pm

Student Resource Scheme 2013

STUDENT RESOURCE SCHEME - TERM 1

The school asks parents to join the Student Resource Scheme each year so that their students can have access to school resources at a reduced cost to the parent and also to enable their students to take advantage of the many and varied benefits on offer to financial members of the scheme.

It is disappointing to note that some families have still not paid their fees to enable their student to access the benefits provided by the Student Resource Scheme. Please make payment an urgent priority.

The school understands that financial difficulty is a reality for some families. If you find yourself in this situation, in order to help your student, please don’t delay in contacting the school so that we can understand your circumstances and discuss a PAYMENT PLAN. All information supplied is strictly confidential. Lack of communication can only lead to the notion of unwillingness to meet your financial obligation.

STUDENT RESOURCE SCHEME - TERM 2 INSTALMENTS

Term 2 resource scheme instalment ($55) is due for payment by Friday, 2 May.

If paying resource fees by instalment, each term payment is to be made within the first two weeks of term. Please be prompt with your term payments.

Thank you to the families who make their payments within the guidelines and keep their resource fees paid up to date. The school really appreciates your efforts, as management of outstanding resource fees is very time consuming.

It is in the best interest of your student to keep resource scheme payments up to date as students with outstanding resource fees may be denied the opportunity to participate in non-compulsory school sponsored activities as outlined in the resource scheme package.

It is not the aim of the school to disadvantage students in any way. However, the school budget relies heavily on full financial support. If you find that your resource scheme payments are falling behind because of financial hardship, please contact the school on 4945 0111 to renegotiate the terms of payment.

Seniors Out & About

MOCKTAILS

On Friday 14 March, fifty Year 12 students from Proserpine State High stepped onto a bus looking their finest to attend the annual Mocktails function at Mackay Entertainment Centre. The handsome lads and stunning young women took to the dance floor for the majority of the night despite the ladies’ sore feet!

Mocktails is a function held at the beginning of the senior year in which one thousand students from various schools in the Mackay and Whitsunday district come together to mingle, dance and show off their amazing talents.

The Year 12s loved the opportunity to see friends from other schools that they’ve competed with over the years in various sporting and cultural competitions. Many enjoyed the social evening with their peers including the sing-a-longs and banter on the bus trip there and back.

Thank you Year 12, the school is very proud of the maturity, style and sophistication that you all exhibited on this evening.

Mr Sam Wilson, Miss Amelia Hinschen, Mrs Melissa Ellis and Miss Erin Hinschen thoroughly enjoyed being your dates for the night!

Ms Erin Hinschen
Year 12 Coordinator

World’s Greatest Shave

The school held its own World’s Greatest Shave event on Friday 16 March and Monday 19 March to raise funds for the Leukaemia Foundation. Six brave students and three teachers volunteered to lose theirs locks for this great cause and the school raised nearly $3200 as a result of student and community donations.

Friday 16 was Funky Hair Friday where many other students got into the spirit and came with funky hair dos or had their hair sprayed with colour at morning tea for a donation. Mr Cox finished morning tea with a red Mohawk. The first shave event
was held at lunchtime and saw senior students Connor Barrett and Nick Gilbert go bald with Nick by far the woolliest head shaved. Mr Laverty and Miss Avery also received close shaves and Mr Cox had the Mohawk removed.

Monday saw four more senior students shave for a cure with Logan Dachs, James Edgar, Brent Matthews and Paulette McDermott losing their locks after a delay to allow them a final fling at the Mocktails event in Mackay the previous Friday. The boys had also pledged to have their legs waxed if the total went over $2000 so after plenty of screaming and tears (mostly of laughter from the crowd) they had silky legs and heads.

World’s Greatest Shave Monday

Congratulations to all involved and thank you to everyone who sponsored.

To sponsor on-line click the link: http://my.leukaemiafoundation.org.au/proserpineshs

Team:
Proserpine State High School.

Canteen

It’s Care Carnival this Friday and the last day of the term, so we are having a fun food day in the canteen. We will be selling Dominos Pizzas, chocolates, donuts and lots more. A PRIZE will be on offer for the best dressed customer so get your costumes ready.

Happy Easter to all, and have a great holiday.

Cheers from the canteen ladies...

Assessment Schedule Changes

YEAR 12 BIOLOGY EEI

This Biology EEI is now due on FRIDAY 25 April (Week 1 Term 2). Due to this change of due date the mark you will receive on your Progress Reports will be the draft mark from this EEI.

YEAR 11 AND 12 PHYSIC EXAMS

Both Year 11 and 12 will now sit a 120 minute exam during exam block (Week Beginning 16 June 2014). Please mark these changes on your Assessment Schedules.

Uniform Store Update

A Proserpine State High School jumper is being introduced and will be available for this winter. Two styles have been endorsed by the P&C Association.

Option 1: Cotton/acrylic pullover (UNISEX)
Option 2: Fleece – full zip (UNISEX)

Both styles are black with the school logo embroidered on the left hand side chest at a cost of $45.

It is expected that stock should arrive around week beginning 28 April. An order for 200 only has been placed at this time.

Lynn Larkin
Uniform Convenor

Competitions

2014 AUSTRALIAN GEOGRAPHY COMPETITION

Thirty students from Proserpine State High School are taking part in the 20th annual Australian Geography Competition this week. We have been entering students in the competition since 2001, and prior to this in other mapping competitions since 1998.

Approximately 70,000 students from all around Australia have entered the competition, which is organised by the Australian Geography Teachers’ Association and the Royal Geographical Society of Queensland.

Competition coordinator Bernard Fitzpatrick said that the competition gave teachers an opportunity to highlight geography in their schools.

“Geography is a vital subject that all young people should study,” said Mr Fitzpatrick. It helps students understand the world around them, and how people and environments are interconnected.”

“With schools in many parts of Australia starting to implement the new national geography curriculum this year, it’s an exciting time to be involved in geographical education, and the competition plays its part in this,” said Mr Fitzpatrick.
Students who excel in the Australian competition have the chance to represent Australia in international geography contests.

Two senior students from Queensland will be selected to take part in Geography’s Big Week Out in Sydney later this year. From that event, Australia’s team will be chosen for the 2015 International Geography Olympiad in Tver, Russia.

Outstanding students aged 14 or 15 years old are in the running for a place in the team which will represent Australia at the 2015 National Geographic World Championship.

Mrs Nicolson and Mrs Smith, geography teachers at Proserpine State High School said the school traditionally did well in the Australian Geography Competition.

PIERRE DE COUBERTIN AWARDS

The Pierre de Coubertin Award is designed to recognise students who demonstrate initiative, teamwork, sportsmanship and fair play through participation in a variety of sports in the competitive arena.

The award recognises students who demonstrate consistent attributes with the fundamental aims of the Olympic movement, with particular emphasis on participation and commendable sporting behaviour.

“The most important thing in the Olympic Games is not to win but to take part, just as the most important thing in life is not the triumph but the struggle." Baron Pierre de Coubertin, Founder of the Modern Olympic Games.

Past Pierre de Coubertin award recipients include dual Olympian pole vaulter, Alana Boyd and Corporal Daniel Keighran who was the recipient of the Victoria Cross.

Students eligible for award nomination (may be from Year 10, 11 or 12) must have represented the school district or region as a participant in at least three sports in the competitive arena during their high school years (8-12). One of those sports must be on the current Olympic program.

The award recipient must submit an original piece of literacy OR artistic work, which illustrates their appreciation of the Olympic movement. The 2014 theme is Youth and the future of Olympism in a digital world.

Nominations close 16 May for the 2014 awards. See Mr Wilson in the SLC staffroom if you wish to apply.

As Georgia Applehof from Brigidine College shared:

“My receiving the award shows other students that you don’t always have to be ‘a star’ to be recognised. It’s important to be prepared to ‘have a go’ and just do your best in whatever sport is played.”

WHITSUNDAY VOICES

Do you take yourself to be the next Jane Austen or Suzanne Collins?

Well, get writing, as The Whitsunday Voices Short Story Competition is on again! The theme this year is “Eat My Words”. There are some great prizes on offer for all year levels. Entry forms are available from Mrs Raiteri in D Block staffroom.

Entries close 19 May.

ATTEND ANZAC COVE CENTENARY COMMEMORATIONS

Queensland students now have a better chance to be involved in historic Anzac Day centenary commemorations in Gallipoli after the Queensland Government announced 30 extra places for the 2015 Premier’s Anzac Prize.

Seventy students will be selected to take up a once-in-a-lifetime opportunity in 2015 to travel to Gallipoli and the Western Front and attend the Anzac Centenary commemorations at Anzac Cove.

The 2015 competition opens this Anzac Day and Year 8-11 students will be required to submit an original 2-5 minute multimedia presentation about the Anzac tradition.

For ideas, students can view tour reports and footage from previous Premier’s Anzac Prize tour groups by visiting: http://education.qld.gov.au/students/grants/scholarships/anzac/2013-tour.html.

Queensland’s centenary activities are documented on the Anzac Centenary website at: www.qld.gov.au/Anzac100.

PETER DOHERTY AWARD FOR EXCELLENCE IN SCIENCE AND SCIENCE EDUCATION

The Peter Doherty Award for Excellence in Science and Science Education, which commenced in 2004, recognises students, teachers, support officers, schools, volunteers, mentors and organisations that have made outstanding and innovative contributions to science and science education in Queensland.

The award is named after Professor Peter Doherty, a Brisbane-born Nobel Prize-winning scientist who was educated at Indooroopilly State High School and the University of Queensland.

Award Conditions

Applicants may be nominated by themselves or by another person.

Eligibility conditions and selection criteria are listed on the application forms for each award. Previous Peter Doherty Award recipients are not eligible to apply.

Previous applicants may not reapply for the same project or initiatives without enhancement or significant modification.

Nominations for 2014 now open

Nominations are open for the 2014 Peter Doherty Award for Excellence in Science and Science Education http://education.qld.gov.au/curriculum/area/science/all-stars.html. This year twenty-seven awards will be presented, across five categories, to the value of $109,000. Closing date 2 May, 2014.

School Notices

KEEP A WATCH ON OUR SCHOOL THESE HOLIDAYS

Parents and students can help take care of our school by reporting any suspicious after-hours activity to School Watch.
on 13 17 88. By keeping an eye out we can work together to create a safer school community and help to reduce vandalism, theft and arson in our school.

If you see something suspicious, please don’t intervene. Call the School Watch number and let the local police or State Government Protective Security Service deal with the matter.

LOST PROPERTY

Students, if you are missing anything at all, please check the lost property at the office as the stand is overflowing with items (lunchboxes, sports shirts, etc.) found lying around the school. Hurry and collect it/them as all items will be donated to St Vincent de Paul’s on Thursday 3 April.

NEW CYBERSAFETY WEBSITE

The Meet the creeps cybersafety website helps parents and students become aware of online scams, social media pitfalls and cyberbullying. The joint Telstra and Queensland Government project aims to equip middle school students with the skills to keep safe online.

Crackers the clown and Shifty Shane are just two of the characters you will meet in a new interactive quiz designed to highlight potential online dangers.

**BECOME A VOLUNTEER HOST FAMILY**

World Education Program (WEP) is inviting Australian families to experience another culture within their own homes by becoming volunteer host families. Choose a student from Italy, Belgium, France, Switzerland, The Netherlands or South America and get a glimpse into the life of another culture without having to leave the comfort of your home! Our exchange students are just as excited about sharing their own culture and life experiences as they are about becoming a member of an Australian family.

**Arriving in July**

Remy (16) from French-Canadian loves the outdoors, camping and outdoor activities. He has been a scout for the past eight years and plays both American football and soccer. His interests include swimming, kayaking, cooking, basketball, tennis and general fitness. He also loves horse riding. Remy speaks French, English and Spanish, with French being his native language. He is looking forward to improving his English skills with his host family and classmates, on his exchange here in Australia.

Sara, aka Erika, (16) from Finland, is looking forward to her exchange here in Australia. She lived in Perth for two years when she was eight and is looking forward...
to moving back to Australia and living with a welcoming host family. Some of her hobbies include cooking, playing the piano, reading, hiking, dancing and scouts. She has been dancing classical ballet for 12 years and has been a scout troop leader since she was 12. During winter, Erika enjoys cross-country and downhill skiing.
