**P & C MEETING**

Meeting will be held on Wednesday 21 MAY in the Administration office common room starting at 7pm.

**Principal Perspective**

**NAPLAN TESTING**

On Tuesday 13, Wednesday 14 and Thursday 15 May, students in Years 3, 5, 7 and 9 will take part in the National Assessment Program – Literacy and Numeracy, or NAPLAN, as it is commonly known. Skills that will be tested include: reading, writing, spelling, grammar and punctuation, and numeracy.

These tests are done here at school and are considered just another part of the curriculum.

It is important for you and your child to know that NAPLAN is not a pass/fail test. It simply looks at what level students are achieving in literacy and numeracy against National Standards and compared with student peers throughout Australia.

NAPLAN cannot be studied for and students are not expected to do so. The best way you can help your child prepare for NAPLAN is to encourage them to do the best they can on the day and assist them in getting plenty of sleep and eating a healthy breakfast. Later in the year we will send you an individual student NAPLAN report that you can use to view and monitor how your child is progressing.

More information is available on the NAP website (http://www.nap.edu.au/).

If you have any concerns, please contact Mr Ian Dachs at the school on 4945 0111.

**SCHOOL MARKETING PROPOSAL**

*Please complete the survey sent to your email address by Wednesday 14 May.*

As many of you would remember, we engaged Carey Eggins Pty Ltd and White Rabbit Graphic Design 12 months ago to explore the representation of the school logo and motto within our school community. From the one-on-one meetings that were held with staff and students, phone calls with parents and partners of the school as well as the on-line survey, the team we engaged was able to summarise the spirit and direction of the school as a “Community of Achievers”.

This positioning resonated with everyone from staff to parents to students who take pride in being part of a school that provides a nurturing environment encouraging all types of success – whether it be academic, cultural, sporting or technical.

From this, they created a memorable and meaningful tagline that we could use to quickly sum up what we are all about. “Success. Together.” does this because it first says what we want to achieve and then perhaps most importantly, says how we are going to achieve it.

During the consultation phase with the school community it also became evident that a significant number of stakeholders considered it viable to explore a new design or modernising of our school logo. An updated version of the existing logo, using the same elements, foundation colours and style has been designed and proposed for introduction in 2015.
Why the proposed change:

- The resonating of the school motto with students and partners.
- Demographics of our student population changing dramatically with a large percentage of students now residing in coastal communities.
- Introduction of Year 7 in 2015 signifies a new era for the school.

Maintaining current logo elements has been considered by:

- The strong presence of green and gold as foundation colours.
- Maintaining a crest as our logo shape.
- Modernising the images of sugar cane and Persephone.
- Maintaining the name “State High School”.

New Logo elements:

- modern, innovative, diverse and represents opportunities
- the symbols are cane leaves / cane fields representing pathways to success and interlocking futures
- elements and colours in the logo represent country and beach coming together
- the gold bird symbol is a modern representation of Persephone (story below) rising upwards. The bird also represents future and freedom to choose your path in life and the freedom to choose from the diverse opportunities we offer at Proserpine State High School.

New Logo Colour representation:

- Green = country and cane fields, harmony and new life
- Blue = sea, trust and loyalty
- Gold = success, power and health
- Yellow = sand, mind, intellect and optimism.

The current school logo is part of the proud history and tradition within our community. The celebrations at the recent Golden Jubilee highlighted this fact and at no time is there any intention of disrespect to our school’s 50 year proud history. Rather we are exploring the modernisation of our school representation within our school community and preparing for a new era of Year 7 students transitioning to Proserpine State High School.

There is no requirement or expectation of current parents to purchase new uniforms. If proceeding with a change of logo, uniforms with the new logo would only be purchased by Year 7 and year 8 students enrolling in 2015 and then Year 7 students/ new students to these year levels in following years. Existing families will be able to pass down their shirts to younger brothers or sisters so not to cause any unnecessary financial burden.

Your opinion on this proposed change is valued and I urge everyone to complete the survey sent to your email address by Wednesday 14 May.

Thank you,
Mr Don McDermid
Principal

ANNUAL FUN RUN

On Thursday May 1, Proserpine State High School students pounded the footpaths around Proserpine in the annual school Fun Run.

All students were asked to complete the 4 kilometre course as fast as they were capable. As students crossed the finish line they earned points for their care group and house. This year we saw a high level of participation with the vast majority of students running, skipping and dawdling around the course to make a nice change from regular classes.

The fastest female competitor for the run was Holly Moore at 15 minutes and 53 seconds and the fastest male time was Will Dayman in 14 minutes and 27 seconds.

Other age champions were:

Results for the school House Groups were as follows:

First – Oxley
Second – Kennedy
Third – Flinders
Fourth – Cook
Thanks again to all those who helped run the event and congratulations to all runners!

**WHITSUNDAY CROSS COUNTRY**

Forty Proserpine students along with twenty St Catherine students bussed their way to Collinsville on Friday 9 May to compete in the Whitsunday Cross Country Trial. Collinsville weather was sunny and very warm, especially for an 11am start. Proserpine cleaned up again this year, scooping the majority of the age champions:

A credit to all students who ran, as most of the Proserpine runners finished in the top eight for each age group. The top four from each age group will go on to compete at the NQ Trials in a few weeks. Good luck to those going to Townsville.

**RUGBY LEAGUE**

**30 April - Proserpine U15 #2 vs Sarina**

George Roth out wide and in the open started the scoring for the game. Proserpine started the game strong, confident and dominating. Unfortunately a couple of missed tackles allowed Sarina to push through and score under the posts with a minute till half time. Early second half Sarina again scored and converted. Proserpine threw all they had at them. Big kick off the restart (Isiah) saw Sarina fumble and Zac capitalise on this with Liam successfully converting the try, putting Proserpine back in the game. However, the errors were there, lack of fresh subs saw Sarina go away with a win. Final score was 30-10.

**7 May - Proserpine U15 #2 vs Mercy**

We were very light on players for this week unfortunately there were a few late minute withdrawals. Thanks to the Year 8s playing up and Matt Kennedy having a run at the last minute saved us from a forfeit. Mercy were strong and fast with Proserpine working hard. Liam through a nice dummy which saw him open a hole and go through to put our first points on the table. George also broke through the line reviving our hopes and Taine successfully converted the try. Coach Jones will have to brush up on strategies and tactics at next week’s training! Unfortunately the final score was not in our favour 40-10.

Thank you to Whitsunday Old Bulls for sponsoring a new set of Opens jerseys. They have finally arrived and will make their debut at our home game on 21 May.

Final three rounds are our home games. It would be great to see parents and others support/spectators.

- **21 May:** 4pm kick off for the U15s at Les Stagg; Year 8s 5pm; Opens at 6pm.
- **28 May:** 3:15pm kick off for U15s at the high school oval and Year 8s at Les Stagg; Opens at 4:15pm.
- **4 June:** 4pm kick off for the U15s and 5pm for the Opens at Les Stagg Oval.

Thanks to the Brahmans Seniors committee for allowing us to use the facilities to host our games.

**An Update from the Coordinators**

**YEAR 8 COORDINATORS**

Term 2 is passing very quickly and it is difficult to believe that we are almost half-way. Over the past few weeks your son/daughter has been extremely busy completing English and history multimodal presentations that were due at the end of Week 3. In the same week the students received their mathematics assignment that focuses on probability.

A change in the assessment planner: Year 8 students will be having a science exam in Week 5 and an assignment due in Week 9.

Staff were fortunate to meet many parents at last Thursday’s Parent-Teacher Interviews. Some interviews may have taken place as telephone conversations while others may be on going email conversations. The interviews provide an opportunity for students, parents and teachers to discuss the positive aspects of the student and provide some strategies for them to reach their potential. Of course, being able to put a name to a face is always a bonus for parents and teachers. Interviews are not restricted to one afternoon in the term so please contact the school if you need to contact your son/daughter’s teachers to discuss their progress.

Students have been acknowledged at whole school assembly or year level assembly for their “Excellent” or “Very Good” behaviour and effort on their Term 1 report. Presentations will take place in Week 4 and 5 for the Gold, Silver and Bronze Awardees and a morning tea in Week 5 for the Gold Awardees. Well done and congratulations to all Year 8 students for their fantastic effort and behaviour.

The Year 8 students are well-presented in their formal or polo shirt uniform options. As winter approaches students need to wear:

- bottle green/black jumper or cardigan
- long black dress pants are acceptable
- black track pants with polo shirt
- plain black tights for females under formal skirt (Terms 2 & 3)
Jeans are not acceptable.

Thank you for supporting your child through this journey. Together much can be achieved.

NAIDOC

We, as in the school’s Indigenous Student Leader, Caitlin Wharton and myself have started planning for Naidoc Week lunch time activities for 2014. We are once again looking at having our school Naidoc Week in the first week of term 3 and the theme for 2014 is Serving Country: Centenary and Beyond which commemorates our nations indigenous men and women who served in wars, alongside non-indigenous Australians. We are also seeking volunteers to help assist and coordinate with the celebrations so contact Caitlin or myself if you can be of assistance.

See yah when I’m looking at yah.

HAPPY VOLUNTEERS WEEK (12–18 MAY)

A big thank you to all our treasured volunteers, including our P&C members. With the help of these valuable people our school canteen continues to fund many projects within our school for the benefit of all Proserpine State High School students.

“Some people want it to happen
some people wish it would happen
VOLUNTEERS make it happen”!!

The canteen needs more volunteers, so if you have time to spare, please call 4945 0119.

Uniform Store Update

Thank you to the generous families who have donated no longer required, new style uniforms to the school. PIERRE DE COUBERTIN AWARDS

The Pierre de Coubertin Award is designed to recognise students who demonstrate initiative, teamwork, sportsmanship and fair play through participation in a variety of sports in the competitive arena.

The award recognises students who demonstrate consistent attributes with the fundamental aims of the Olympic movement, with particular emphasis on participation and commendable sporting behaviour.
“The most important thing in the Olympic Games is not to win but to take part, just as the most important thing in life is not the triumph but the struggle.” Baron Pierre de Coubertin, Founder of the Modern Olympic Games.

Past Pierre de Coubertin award recipients include dual Olympian pole vaulter, Alana Boyd and Corporal Daniel Keighran who was the recipient of the Victoria Cross.

Students eligible for award nomination (may be from Year 10, 11 or 12) must have represented the school district or region as a participant in at least three sports in the competitive arena during their high school years (8-12). One of those sports must be on the current Olympic program.

The award recipient must submit an original piece of literacy OR artistic work, which illustrates their appreciation of the Olympic movement. The 2014 theme is *Youth and the future of Olympism in a digital world*.

Nominations close 16 May for the 2014 awards. See Mr Wilson in the SLC staffroom if you wish to apply.

As Georgia Applehof from Brigidine College shared:

“My receiving the award shows other students that you don’t always have to be ‘a star’ to be recognised. It’s important to be prepared to ‘have a go’ and just do your best in whatever sport is played.”
