Principal Perspective

JUNIOR SECONDARY

Our transition to Year 7 joining secondary in 2015 is well under way with the final preparations being completed to staffing, facilities, curriculum and general operational structures that will allow a smooth transition for students. However, it is important to recognise that the junior secondary agenda encompasses more than Year 7 students and has allowed us to review processes and practices in our delivery to all Year 7 to Year 9 students. This review has been undertaken through the six guiding principles of junior secondary as part the government’s Flying Start initiative http://flyingstart.qld.gov.au Throughout this process minor adjustments have been made to current practice to increase engagement in the curriculum, promote creativity and further enhance the wellbeing of all students. This term we engaged with local cluster schools and regional office representatives to conduct a peer review of our progress and readiness for the start of 2015, a reflective practice to ensure we are providing opportunities that promote success and wellbeing of the young adolescent.

Below are transition dates and parent information sessions to assist in the transition of students into Year 7 and Year 8 next year. Our first transition days for Year 6 and Year 7 were completed last week with enthusiastic students visiting from cluster schools, undertaking orientation and elective subject lessons.

AN EVENING OF SHAKESPEARE

What an amazing display of talent from our Year 12 Drama students as they performed in front of the school community two weeks ago. The students performed with confidence and flair; bringing a new light to Shakespeare and entertaining the crowd. The performance is part of the assessment for drama and allows the student’s real life experience in front of a large audience and at no time did they falter with the task. I am extremely proud of their efforts and congratulate each student on their performance. Recognition must be given also to the teaching team in The Arts Department on preparing the students with such confidence and to the support crew of students who assisted with props, sound and lighting to make the event such a success.
Our students have once again displayed their immense ability this semester on the sporting field with a large number of Proserpine State High School students gaining selection at the North Queensland level. Congratulations to the students listed below on their efforts at gaining NQ Regional selection to compete at the state trials. This is an excellent achievement and we wish those students still progressing through the selection process all the best of luck. Many thanks to all the staff and coaches who gave their time in preparing and travelling with students to compete in sport throughout the year. Without their support these opportunities would not be available.

ATTENDANCE – EVERY DAY COUNTS

A considerable number of students at our school are having their opportunities to perform to their potential adversely affected by parent condoned absences. Data listed below shows a concerning decline in attendance across year levels and well below the targeted 92% attendance rate for this calendar year.

Once it was the case, that students only missed school when they were genuinely ill, but now that has changed. Students are being allowed to stay away from school for an ever increasing number of excuses including:
- A day off for their birthday
- A day because relatives are visiting
- A day off to be with parents at home
- A day off to look after younger brothers and sisters
- A day off to go shopping

The thought of an argument with children to get them to school often is too great to bear for some parents. Every day a student is away, they are losing a learning experience. Over time, this leaves gaping holes in their learning for individual subjects. After love and care the most important thing that we as parents can give our children is an education. Should you require support in saying NO to your son/daughter on their attendance or any other issues please contact the school.

AN EVENING OF SHAKESPEARE

An Evening of Shakespeare was a resounding success attended by approximately 200 patrons. Year 12 Drama would like the thank Maddigan Dachs, Cody McCarthy, Josh Scarborough, James Heitman and Sarah Botta for their assistance with sound, lighting and filming; Carol Davis for her assistance leading up to the performance; and Bhrett Davies for her photography on the night.

Business Studies

YEAR 9 BUSINESS STUDIES EXCURSION

Throughout this term the Year 9 Business Studies students have studied and focused on the different aspects of owning and running a small business. The key terms assessed have ranged from target market, competition, promotional techniques, regulations, demographics, location and the layouts of multiple businesses. The result of this unit was to
venture out into the big, wide business world and interview two very diverse personalities that are both successfully running their small businesses. This was done in the last period on Thursday 22 May with our superb escorts, the congenial Mr Laverty and the affable Mr Philipson. 

By asking numerous questions relating to our unit we gathered very informative responses that allowed us to understand the possible reality of owning and running our own businesses. Although the two personalities were extremely contrasting, they helped us to see the different perspectives on what is required to successfully run a small business. One of the businesses visited was the home ware store Epicure and owner Cathy. Epicure focused on constantly improving and gaining new ideas (such as an online store and cooking classes once the store had closed for the day) in order to continue to bring in a wide range of customers. The second store visited was Garden Art and owner David. Garden Art focused on providing a tranquil and relaxed theme in order to entice their customers and allow them to envision the striking art pieces in their own gardens. The intention of the excursion was fulfilled and the knowledge of the business realm has expanded momentously for the majority of the students.

An enormous thank and gratitude must be extended to Cathy, David and the lady that prepared the chips from Café on Main for our treat after the excursion.

### Humanities and Social Science

**HUMANITIES AND SOCIAL SCIENCE HISTORY PROJECT**

World War One had a significant effect on Australia and created the ANZAC legend commemorated every year on the 25th of April. Next year the Proserpine Historical Museum Society is producing a book to commemorate the 100th anniversary of the Gallipoli landing on 25th April 1915. Our Year 9 History students and their teachers are about to embark on a project done in conjunction with the Proserpine Historical Museum Society by helping with the research for the book.

The students would dearly love assistance from the local community and descendants of the servicemen listed below to gather copies (not originals) of any historical information (e.g. photographs, documents, anecdotes) to allow us to piece together the history of all of these men for the book.

Please contact Mrs Glynis Nicolson, Head of Department at Proserpine State High School on 4945 0114 or gnico4@eq.edu.au. We will copy any items you are prepared to loan. This can be done via your child or the school office during office hours.

An Update from the Coordinators

YEAR 8 COORDINATORS

Congratulations to the many students who have received “Student of the Week” throughout Term 2. Reasons vary considerably for the nomination from improvement with organisation to their respectful nature towards their peers and teachers. Every student has the ability to be nominated for this award as they do for receiving a Gold, Silver or Bronze Award for their Behaviour and Effort. As Term 2 concludes and the reporting process is finalised the next set of these awards will be presented early Term 3.

As the end of the term fast approaches you may find your son/daughter quite tired and busy completing their last few assignments and studying for exams. Fortunately we have also finished the term with two long weekends that may have assisted in giving them some additional time to prepare for those assessment tasks. The two weeks school holidays commencing on Saturday 28 June and students returning on Monday 14 July should provide students with time to rest and recharge in preparation for second semester.

As your son/daughter finishes their first six months at Proserpine State High School, we have started welcoming the Year 7 and 8 students for 2015. Last week Proserpine State School, Cannonvale State School and Hamilton Island State School students commenced their transition to Junior Secondary. Students completed an orientation session that included a tour of the school and gaining a basic understanding of the format of Junior Secondary and they participated in one elective subject. Bloomsbury State School will commence similar activities on Wednesday 30 July. Orientation activities will continue in Terms 3 and 4 with the next event, “Parent Information Evening” on Thursday 7 August (6.00pm tours and 6.30pm formal presentation).

Thank you for your on-going support of your child so they can reach their potential.

Students of the week:

Term 2 Week 8  
Front Row L to R: Amy Hungerford, Allie Thomson and Olivia McCall  
Back Row L to R: Holly Moore, Georgia Muller and Taylah Creighton

Term 2 Week 9  
Zac Duggan and Zoe Cunningham (absent)

Uniform Store Update

PROSERPINE STATE HIGH SCHOOL JUMPERS

With the cold snap, sales of Proserpine State High School pullovers and jumpers have been strong. The pullover style proving especially popular with the Uniform Store selling out of two sizes already. Feedback has been VERY positive and students have embraced the introduction of jumpers to the school uniform. As jumpers are often only necessary for about the first half of the day PLEASE take the time to name your students’ jumper to avoid loss. Replacement is costly.

Thank you to the generous families who donate unwanted “new” uniforms to the school. We ask that anyone leaving the district or perhaps our 2014 Year 12s might consider this option at year end.

I would like to say a BIG thank you to the small but enthusiastic and reliable group of ladies who volunteer in the Uniform Store each Monday and Wednesday mornings.

Mrs Lynn Larkin  
Uniform Store Convenor
