Wednesday, November 19
Commencing at 7pm
Proserpine Entertainment Centre
$85 per student
Please note that this is a YEAR 12 ONLY Formal.

FAREWELL CEREMONY
Friday, November 21
Commencing at 9am
Proserpine State High School Multi-Purpose Hall

Principal Perspective

YEAR 12 EXPECTATIONS

What an exciting and most anticipated term this is for our Year 12 students. They have worked and strived away at their schooling to reach this point where the finish line is so close. However I urge them not to lose focus and for many of them this is a crucial term in either consolidating achievement levels or gain upward movement to a higher rung placement within specific subjects. It’s also a critical time in completing competencies to ensure that mandatory requirements are met in vocation education subjects. Once again I urge our Year 12 students to remain focused, work hard to the end and receive the recognition for work you are capable of achieving. Good luck in this busy time ahead!

SCHOOL VALUES - RESPECT

I spoke to the students at our first assembly this term reminding them of our values of “Respect” and the importance of them being demonstrated across various contexts of the school. Last year as a school we focused on the appropriate language that is expected to form positive teacher/student interactions and assists in resolving issues with positive outcomes. I am pleased to say that there is now a clear understanding at our school of the zero tolerance towards abusive language or offensive language (swearing) used by students towards staff members. As a result there has been a decline in the number of students being issued consequences for this specific behaviour than at the same time last year.

I also reminded students to “Respect” themselves as learners and the rights of other to learn within the classroom. Highlighting the importance of having high expectations of themselves and what they can achieve, pushing themselves in this final term to achieve to their potential. A close enough, is good enough approach is not acceptable.

We will also continue to address any students who blatantly refuses, argues or is defiant towards what I class as “simple, reasonable and commonly expected” expectations of the classroom. When this occurs the only result is time wasting. Students must respect their own learning journey and that of other students. Our blatant refusal policy introduced this year
has been effective in reducing these incidents and clearly sets our learning expectations in the classroom. We do not tolerate students in any way interfering with the learning and success of others.

**JUNIOR SECONDARY PARENT INFORMATION EVENING**

We had an impressive turn out at our Year 6 and Year 7 Parent Information Evening last week as we make our final preparations for the arrival of our new students. It was an opportunity for parents to hear about the new direction of our school under the junior secondary culture, receive detailed information regarding our program in 2015 and an opportunity to walk through our newly built junior secondary precinct.

Students had an opportunity to meet new friends and undertake some fun information gathering activities during the evening. Our transitions activities have been very successful this year and our future students from both year levels are looking and sounding confident with their move from primary to high school. The next transition day for both Year 6 and Year 7 students will be held on Monday 8 December.

**SET PLANNING – YEAR 10**

Last week our Year 10 students have undertaken SET Plan Interviews (Senior Education and Training Plan). The SET Plan Interviews involved Year 10 students accompanied by their parents or guardians, attending a personal 30 minute interview with a member of staff. The focus of these interviews was to support each young person to develop a career plan or Senior Education and Training plan (SET Plan) to help them plan possible careers and develop a program of study to provide the pathway to their future goals. The process for creating SET Plans helps young people to learn about themselves, set realistic goals and explore how to achieve those goals. It is a great way to help young people take responsibility for their future. Once these plans are initially developed, students will review, alter and/or refine them through their senior school years.

Thank you to our parents/guardians for making time in busy work schedules to attend these interviews. All Year 10 students are required to complete these plans, so if your student has not undertaken an interview, staff will be following up with these students in the coming weeks. If you would like to be in attendance for their interview, please contact the school office.

**ST VINCENT DE PAUL SCHOLARSHIP**

I had the privilege of presenting the second stage of the St Vincent De Paul Award to the 2013 recipients of this highly recognised award last term. Logan Dachs and Maddy Spruce received the bursaries to assist with their studies and their future goals in life. The bursary is centred on the criteria of leadership, behaving as a role model, motivated and positive towards their schooling, willingness to assist others and contributing to their community.

These are important values and standards that we actively encourage in all our students throughout our daily teaching and activities on offer at Proserpine State High School. Congratulations Maddy and Logan.

**AWARDS NIGHT**

A big date claimer for the year is our Annual Awards Night held on Wednesday 29 October. This is a wonderful evening that showcases the immense talent of our students across all facets of Proserpine State High School. It is particularly pleasing to see the hard work and dedication of students acknowledged by the wider community. I encourage parents, friends and community members to put aside this evening as a must to attend and help us celebrate our student’s achievements and successes.

**ARTIST FLARE**

Those who have walked past our canteen last week would have seen our new and improved shopfront. Through the hard work of Sue Walker and Jacinta Beatts (Beatts Me) the canteen has had the inclusion of some artistic flare making the canteen feel even more appealing for our students. The art work became a reality due to the many volunteer hours dedicated by Jacinta Beatts and we are sincerely grateful for her contribution to our school. There has been an overwhelming response from students and staff, complementing the work.

(More on this story and photos under ‘Canteen’ in this newsletter.)

**Mr Don McDermid Principal**

**Business & Technology Department**

**“WE MEAN BUSINESS!”**

The Year 10 Business Studies students are currently involved in completing the enterprise section of their course. The course involves the students in:

- establishing a business, including choosing a product or service, creating a business name, seeding the initial funding and planning for the business
Some business students experienced a taste of the selling process with a range of stationery items for sale to assist the Year 12 students in being organised for their QCS test. Now they are conducting their own small business enterprise, ultimately selling their selected products with an aim to make a profit. There are four businesses with varying products available for sale. These are:

- "Pop It" selling bubbles and wands for $1.00 or $2.50 depending upon the product
- "Colour Your World" with tie-dye tee shirts for $12.00 and multi-coloured bracelets from $1.00
- "Zipper Headphones" are offering zip style headphones for $8.00 and standard headphones for $4.00
- "High Speed" has a range of computer accessories including ‘robot’ and standard USB hubs selling for $10.00 and $8.00 as well as LCD laptop screen and keyboard cleaners for $4.00.

Please help support this meaningful activity that allows students to use various business skills in a real life experience.

Mrs Deb Brown
Head of Department - Business & Technology

On Friday, morning, once the jetlag had settled, we hopped on a bus and attended The University of Queensland’s Experience Science Day, where we participated in a forensic analysis, made edible slime and had a look at a laser set up. The afternoon was spent at Queen Street Mall, before a dinner at a Chinese restaurant, accompanied by a heated football match. Saturday was spent at the Queensland Museum and Science Centre and a live show at the Planetarium right on dusk. The next morning, we went to the Tertiary Studies Expo, followed by a tour of the lab of the XXXX Brewery. Finally, on Monday morning, at 2:30am, we awoke and checked out, to catch a flight back home in time for a full day of school.

Darcy Pepper
Year 10 student

The Arts Department

GALA CONCERT

Monday, October 20 (Student Free Day)
Commencing at 6pm
Proserpine State High School Multi-Purpose Hall
$15 family / $5 single

Tickets are available at the school office or at the door on the night.

Supper Tea/Coffee available.

All funds go towards supporting the music programme and a donation to charity.

Science Department

BRISBANE SCIENCE BASECAMP

From Thursday July 17 to the following Monday July 21, the annual Brisbane Science Basecamp was held. Twenty-five students, accompanied by Ms Korobltisa and Mr Jolley, flew down to Brisbane, and visited such places as the Brisbane Career Expo, the Planetarium, and a tour of the XXXX Brewery lab. It was a great opportunity to experience science outside of a classroom or school environment, as well as having an amazing time, making friends and learning along the way.
STUDENTS OUT AND ABOUT

Y BLOOM

Y Bloom is the signature leadership and life skills initiative for young women developed by YWCA Queensland. It is a unique mentoring program and specifically designed for Year 9 students. Y Bloom focuses on building resilience, confidence, self-esteem, self-awareness and leadership skills. These are essential building blocks for life and aid in the development of an emotionally and socially intelligent person.

The program was advertised and offered to all Year 9 girls. A group of twelve young ladies committed to making use of this opportunity. Four wonderful mentors embarked on the challenge of working with these girls in their work place over the term/six sessions. Besides working through the course content, students were mentored by successful women in business and identified and worked on a project of interest to them. These projects were presented to family and others at a presentation night. The girls were very excited and each group took their turn in presenting their ideas. Some wonderful ideas and work: Logan’s Adventure Playground was highlighted, a fantastic anti-bullying video, some wonderful promotional billboard ideas for the reef and the solution to the excessive rubbish produced by MacDonald’s – a goat petting zoo!

Thank you to Phoebe Tucker, program instigator and organiser, Lyn Gregson, Donna Martin, Wendy Eriksson, Jan Waetford for your time and efforts.

Well done girls, and we look forward to celebrating achievements with lunch.

Mrs Leanne Farr
English Communication Teacher

eLearning Update

END OF YEAR PROCEDURES FOR STUDENT LAPTOPS

As part of the school resource stocktake, all students will be required to return their laptops to the library prior to the end of this term for this year’s stocktake. For the stocktake, the students will need to bring in their laptops, case and charger. No data or programs are removed from the laptops during the stocktake or whilst in storage over the holiday period. The laptops will be reissued to the students at the start of 2015 when the annual eLearning charge of $250 has been made.

If the eLearning 2015 fees are paid this year by 17 November 2014 and all 2014 fees are up to date, the student has the opportunity to have their laptop reissued before leaving at the end of term 4, allowing them to keep their device over the Christmas holidays. If payment is made after 14 November 2014, efforts will be made to accommodate the reissue, however it cannot be guaranteed.

There will be a staggered timeline for students in different year levels to return their device to the library. Best efforts will be made to allow students to keep their device for as long as possible due to exams and assignments. Depending upon due dates for exams/assignments, some students may need to plan ahead and make alternative arrangements if access to files and data is needed after the return date. It is vital students return their device on or prior to the due date. If families depart for holidays earlier than the end of term, they will need to ensure the student’s laptop is returned to the library for the stocktake before the student’s last day.

All year 8-11 students will be receiving 2015 eLearning payment forms in their roll within the next fortnight. Additional forms and/or an eLearning Information Booklet are available from the school office.
Important Dates

• 17 November 2014: Payment of 2015 charges are due if you wish to have laptop over the Christmas holidays (this does not apply to Year 12 students)
• 19 November 2014 or before: Return of Year 12 laptops
• 26/27 November 2014 or before: Return of Year 11 laptops (must be before the end of the block exams)
• 27/28 November 2014: Return of Year 10 laptops
• 4/5 December 2014: Return of Year 9 laptops
• 4/5 December 2014: Return of Year 8 laptops.

An Update from the Coordinators

YEAR 8 COORDINATORS

Welcome to the final term of 2014 and the last 10 week of Year 8 for your son/daughter. Your child will be busy from Tuesday 7 October through to Friday 12 December therefore their attendance at school has strong association to their ability to achieve to their potential.

Students and staff have been involved with transition activities throughout term 3 and they continue in Term 4. Over two hundred prospective parents and students attended the “Preparing Your Child for Junior Secondary” held on Wednesday 8 October. Parents and Year 6/7 students participated in two separate programs: parents receive information covering curriculum, core classes, care groups, homework communication and eLearning program meanwhile students participated in four sessions covering ICT’s, problem solving, getting to know others and school trivia. Packages were distributed to parents that included information on subject selection, uniform, eLearning and a checklist of important dates. Information packages will be distributed to state schools for those parents who were unable to attend the evening.

Other transition activities will include Mrs McHugh visiting Proserpine State School on Wednesday 22 October, Cannonvale State School on Thursday 23 October and Bloomsbury State School on Friday 31 October. A small number of Year 8 and senior students will accompany Mrs McHugh and share their stories with the Year 6 and 7 students at the state school.

The final Transition Day for 2014 will take place on Monday 8 December with students enrolled at Proserpine State High School in 2015 attending the high school for the day and participating in a program that will assist them to identify their house group, care group and core class. Students are asked to wear their primary school uniform and to bring a hat, lunch and writing equipment. Any questions regarding enrolments for 2015 should be directed to the administration staff or the Year Level Coordinators.

Forthcoming events for the current Year 8 students include the announcement of Gold, Silver and Bronze Awards as part of the Behaviour and Effort Incentive Program (Weeks 3 to 5), Awards Night (Week 4), morning tea for the Gold Awardees (Week 5), subject selection for Year 9, tablet stocktake and then the final week of school. Once again, another busy term.

Last week the Year 8 students acknowledged those students that participated in the World Vision 40 Hour Famine held in August. Students at Proserpine State High School raised close to $3000 to help kids living in poverty overseas. Thinking of and taking action for others is another positive characteristic of students at Proserpine State High School and wonderful to see the Year 8 students sharing that vision.

Once again thank you for the support that you provide your son/daughter and the staff at Proserpine State High School.

Student of Week 1

Siena Gardner

40 Hour Famine Participants

L-R: Jade Skinner, Brianna Marshman, Alicia Adam, Mareny Cook, Georgia Muller, Jade Davis, Sam Camm and Samantha Diamond
Absent – Olivia McCall

Mrs McHugh & Ms Rasmussen

YEAR 9 COORDINATORS

Welcome back to Term 4 to the wonderful Year 9 students! We have a busy term ahead and we will not be stopping until the very last week. Please ensure you refer to the Assessment Schedule and record dates in your diary to help you manage this term’s work.
Attendance

Remember the aim for all students is 95% attendance. In short, this means only 2.5 days off this term! On parade in Week One I discussed the idea of incentives or rewards for improved and great attendance this term and have received some interesting ideas from students who have completed the attendance survey.

Detentions

Given the positive behaviour of students in Year 9, this term’s expectation is that K5’s will be kept to a minimum. As discussed on parade, detentions must be completed by Friday otherwise it is escalated to the Behaviour Management team. Things that you would get a detention for are phones or similar electronic devices used in the classroom, inappropriate playground behaviour and incorrect uniform.

Behaviour and Industry end of year trip

A reminder to you that in Week 10 eligible students will be invited to partake in an end of year trip to celebrate their positive behaviour and efforts for the year. To be eligible you need to have received a minimum of two behaviour and industry awards (Gold, Silver or Bronze). The trip this year will be to Mackay with a variety of activities on offer. Watch out for the expression of interest that will be distributed to eligible students after the next round of behaviour and industry awards are presented.

Mrs Moran
Year 9 Coordinator

Industry News

WORK EXPERIENCE

60 work experience placements were organised in Term 3, with 40 of those in the recent school holidays. Exceptional feedback was received by employers, with a number of students impressing their employers enough to be offered school based traineeships or apprenticeships as well as casual employment.

Work experience is an excellent opportunity to gain an understanding of the industry students are considering for a career. It allows students to view the nature and diversity of employees in the workplace, as well as the ability to improve work ethic, maturity, confidence and self-reliance.

Congratulations to all those students involved, on your behaviour and work ethic.

The next work experience available for Years 10 and 11 is from December 1 to 12. Please collect a form from B4 if you are interested.

On the last day of Term 3, TORGAS kindly brought their state of the art careers kiosk into school for the day. Students were able to receive up to date information on apprenticeships and traineeships in an interactive video format, as well as having a representative from TORGAS there to answer any questions they had.

Available Apprenticeships & Traineeships:

- Full time apprenticeship in Marine Electronics & Communications, Cannonvale
- School based traineeship in Retail & Warehousing for large plumbing company, Cannonvale
- School based traineeship in hospitality, Airlie Beach
• School based traineeship in retail operations, Airlie Beach
• School based apprenticeship in commercial cookery, Airlie Beach.

Casual Employment

• Ripcurl Airlie Beach is looking for casual staff to work weekends and holidays.

For information on School Based Apprenticeships & Traineeships or work experience, please see me in B4, or phone 4945 0121.

Mrs Nicole Jolley
Senior Schooling & Industry Liaison Officer

• to deface acceptable identification ($455 on-the-spot fine or up to $4554 if prosecuted).
• to:
  - provide a false name, address or age
  - provide false evidence of name, address or age
  - fail to provide your name, address or age on request to an officer ($341 on-the-spot fine or up to $2846 if prosecuted).
• to refuse to leave a licensed premises when asked or try to enter when you have been refused entry ($455 on-the-spot fine or up to $2846 if prosecuted).
• to be drunk, disorderly or to create a disturbance on licensed premises (fines of up to $2846).
• to send a minor to a licensed premises to purchase alcohol ($910 on-the-spot fine or up to $9108 if prosecuted).
• to give an evidence of age document to another person ($569 on-the-spot fine or up to $5692 if prosecuted).
• to:
  - provide a false name, address or age
  - fail to provide your name, address or age on request to an officer ($341 on-the-spot fine or up to $2846 if prosecuted).

There are also penalties for selling unlicenced liquor in Queensland.
SCHOOLIES

Pre-schoolies registration is happening on Thursday October 16 in the Resource Centre (library) at a cost of $55. Students need to bring their school ID card and accommodation address.

Mrs Karen Dachs,
School Based Youth Health Nurse
Monday, Tuesday and alternating Wednesday on 4945 0112 from 8am to 4pm

Please Note:

The Student Resource Scheme for 2015 will be discussed at the school’s next P & C meeting, 22 October at the high school administration office, 7pm. As per Education Queensland guidelines, the scheme has to be approved each year by the school’s P & C Association.

Parents/Guardians and interested community members are invited to attend this meeting and express their opinions.

Social Cultural Committee

LET’S GET CONNECTED!

This week we heard the speeches for the school captain candidates for 2015. Good luck from the whole leadership pool!

Over the course of 2014 we’ve seen some massive changes within the school such as increased community involvement and school spirit. With the integration of the Year 7s next year we hope to see these standards maintained in 2015.

A tip from the current leaders: make sure you’re keeping on top of your school work! Trying to juggle assignments and extracurricular commitments can seem to be a daunting task, but if you do a little bit every day it will be a lot more manageable. Secondly, work as a team. Allow everyone to have an equal say in any decisions and make sure tasks are being distributed evenly. And finally, have fun. Being a leader is a really rewarding experience, something our current leaders will remember fondly in years to come.

Again, we wish you all the best of luck for next year and we hope that it is an enjoyable experience for you all.

This week’s code word: LEADER

Assessment Schedule Changes

YEAR 11 PHYSICS EEI

Year 11 physics assignment is now due Friday November 14 one week earlier. Please make the necessary changes to your Assessment Schedule.

YEAR 9 HUMANITIES AND SOCIAL SCIENCES ASSIGNMENT

Year 9 Geography Multimodal Presentation has been moved back one week. It is now due Week Beginning October 27. Please make the changes to your Assessment Schedule.

P & C Association

INVITATION

The Proserpine State High School Parents and Citizens Association Student Resource Scheme for 2015 will be discussed at the school’s next P & C meeting, 22 October at the high school administration office, 7pm. As per Education Queensland guidelines, the scheme has to be approved each year by the school’s P & C Association.

Parents/Guardians and interested community members are invited to attend this meeting and express their opinions.
VOLUNTEERS REQUIRED

The Uniform Store is looking for additional volunteers to assist with sales, particularly over the last few weeks of school and during the last week of school holidays (20 January to 24 January 2015). Anyone interested or who would simply like to find out what’s involved is invited to contact the store by telephoning 4945 0150 on Monday or Wednesday mornings between 9am and 10.30am or leave their contact details anytime with the school office on 4945 0111. Looking forward to receiving your calls!

Kind regards,

Mrs Lynn Larkin
Uniform Store Convenor

Canteen

Spring has sprung with the start of our new menu and canteen makeover.

Thanks very much to Jacinta Beatts of “BEATTSME” (located in the old ambulance building). This Year 10 parent has kindly donated many hours during the school holidays to paint outside our canteen. She has done a wonderful job creating a colourful welcoming area for all students to enjoy. All materials for this project were funded by using a $1000 grant won through NAFDA “Food for Kids” competition. Without Jacinta’s generosity an artwork of this size would be unachievable. We are so lucky to receive this gift so please show your appreciation by visiting “BeattsME” in Chapman Street, Proserpine.

New Summer Menu has commenced for Term 4 with some amazing healthy warm weather food. There are a few price rises that have come through due to an increase in costs. Return to the beginning of the newsletter and in the left-hand side bar under ‘FORMS AND DOCUMENTS’ you can click on ‘CANTEEN MENU Term 4’ for the latest menu.

Cheers from the canteen ladies...

General Information

NEWSLETTER SIDE PANEL

Previous Newsletters
By clicking on the Newsletter Archive tab on the side panel of the newsletter, you can view previous school newsletters.

School Calendar
You can check what is happening at the school by clicking on School Calendar. To view more details of an event, just click on the item in the box or move your mouse over it to find out more information. If you move further down the page and if your student is in Year 12 you can click on the purple “Year 12” box and only Year 12 items will show for you.

To Print out the Newsletter
Click on PDF Print Version and then click on print so you do not waste heaps of paper.

Up-Date Your Contact Records

• Parents, have you changed your address, phone number, email address, etc.?
• Parents, have you changed jobs recently?
• Parents, has your son/daughter’s medical details changed?

Return to the beginning of the newsletter and in the left side bar under ‘FORMS AND DOCUMENTS’, print out the appropriate form/forms (PARENT DETAIL CHANGES RECORDS or MEDICAL INFORMATION CHANGES), fill in the form/s and then return it/them to the office. You are welcome to call into the office to have the changes made on the spot so you can be contacted when your student becomes unwell or in case of an emergency.

Just some of the features our eNewsletter offers.

Medication at School
Any ‘prescription medication’ should be left at the office in the original container provided by the pharmacy (clearly indicating dosage), along with a note from the student’s parents giving permission for the medication to be taken during school hours. Parents please note that non-script items such as Panadol can be stored in the student’s own school bag and taken as required. Non-script items are not kept at the office.

DO YOU HAVE A TAX FILE NUMBER???

Secondary school students over 13 years of age, have the opportunity to obtain a tax file number through the school. Students complete a one-page application, which includes their name, address and date of birth. The school then certifies this information. Once the Taxation Office receives the application form, it will be processed within four weeks and the number will be mailed to the student’s postal address.
By applying through the school, original proof of identity documents do not need to be sent to the Taxation Office. You may wish to consider this service if your child does not have a tax file number and is interested in applying for a job in the near future.

For further information please contact the school or phone the Tax Office on 132 861. Students can obtain an application form from Mrs Brown in C Central staffroom.

2014 NATIONAL GARAGE SALE TRAIL EVENT

Saturday 25 October 2014

Four FREE community garage sales/boot sales across the region at:

- The Proserpine Show Grounds
- The Whitsunday Sports Park
- Bowen PCYC
- Collinsville Community Centre

From 8am to conclude at 12pm

To register as a stall holder for the event go to www.garagesaletrail.com.au.
TAX HELP

If you as an individual have paid tax you will need to do a tax return.

Free, confidential tax assistance/advice is available if you have earned less than $50,000.

Facilitated by accredited volunteers, Tax Help has been assisting Australians complete simple taxation returns since 1989.

Tax Help ends on 31 October, so this is the last chance for free help to submit your tax.

To book your appointment, call Julie on 4945 5915 at the Proserpine Community Centre.

A check list of items required for completing your tax return will be given when the appointment is made.
