JUNIOR SECONDARY AT PROSERPINE STATE HIGH SCHOOL

We know young people....

The Junior Secondary School is designed to respond to the needs of the young adolescent in Year 7 to Year 9. This stage of adolescence is one of intense growth and change in the lives of young people and the school considers many developmental factors when planning for their learning.

Our junior school is founded on:

- an understanding on the nature of our adolescents
- social development and building self-esteem
- developing positive relationships amongst students and teachers
- engagement in learning
- considering the demands of a rapidly changing world
- promoting the future leaders of our community.

Please read our Junior Secondary Brochure attached.

Personalised Learning in Junior Secondary – Literacy and Numeracy

To target our student’s individual needs, data is being used to determine the strengths and weaknesses of each and every student within our Junior Secondary School. Students in Year 8 have already commenced personalised learning activities with their progress closely monitored as they progress into Year 9.

In 2015 our personalised Learning Program will comprise of weekly lessons designed to offer students a holistic, engaging and highly personal learning experience in the junior school. Committed teachers will address those needs with comprehensive lessons that teach a whole range of fundamental literacy and numeracy skills.

This is a unique experience to identify every student’s core needs and support their learning in a new and innovative way.

New Junior Secondary Precinct

At our recent parent information evening we were able to conduct tours of our new junior secondary precinct. The precinct incorporates the newly built multi-storey teaching complex that will be the hub of the junior school.

This modern design building contains the latest teaching technology and equipment to support students through quality teaching and learning. The building is also equipped to support students with a disability and cater for a variety of learning needs.

STUDENT LEADERSHIP

Developing leadership skills within our students is a priority of our school structure. This year’s student leadership has been broadened to promote more students actively involved in leading the school through positive contributions. The introduction of leadership committees in 2014 has had overwhelming success with students making a difference to their school and community in a variety of ways. The current Year 12 leadership group have done an amazing job at inspiring others and I am grateful for the contribution to this great school. If the Year 11 student school captain election speeches held on our full school assembly are anything to go by, we are in great hands with the strength of our Year 11 school leaders.

The introduction of Junior Secondary School leaders will continue to promote and grow the leadership skills of students in Years 7 to 9. Leadership in the Junior Secondary is aimed at giving students the opportunity to take on new challenges, build self-awareness and self-management, experience success, and mentor and assist others.

MUSICAL GALA

Can I congratulate everyone involved in the Musical Gala last week, our Musical Director, Mr Ron Turner, teachers, staff, student volunteers, parents and finally our amazingly talented students. What an incredible evening of entertainment. The feedback from within the community has been overwhelmingly positive and you should all be very proud of your efforts.

It was also extremely pleasing to have all three instrumental music schools performing on the evening and I applaud the Little Kids Band on their performances and the Proserpine State School’s wonderful choir. I look forward to the Year 7 students of this group joining us next year and continuing to develop their playing skills within our instrumental music program.

Two awards were presented on the evening to well deserving recipients:

- **Musical Directors Encouragement Award (Junior Secondary)**
  - Jade Davis

- **Musical Directors Special Award (Senior School)**
  - Ashley Bels

Good luck to Laura Robson and Breana Chautler as they continue to follow their passion for instrumental music travelling to Seattle USA later this year with the conservatorium of music.

AWARDS NIGHT

The big event for the year is our Annual Awards Night held on October 30 starting at 7pm. This is a wonderful evening that showcases the immense talent of our students across all facets of Proserpine State High School. It is particularly pleasing to see the hard work and dedication of students acknowledged by the wider community. I encourage parents, friends and community members to put aside this evening as a must to attend and help us celebrate our student’s achievements and success.

YEAR 10 HOSPITALITY

The Year 10 students are currently working on their assessment where the students are required to work in pairs to plan an event. Students have a theory and practical element to their assessment. During the term they will cook a number of different finger foods and create mocktails which will help them with their skills for their practical assessment.

There are a number of events coming up that students will be involved in:

- Awards Night on October 29, where students will assist in the kitchen and the service of food.
- A Hospitality excursion held on November 3 when students will be attending TAFE to gain more information about how they can gain their Certificate II in Hospitality.
- Students will also be visiting Villa Botanica for an industry visit. Students will gain an insight into how an event is planned and what is involved. This will assist the students with their assessment and students will have an appreciation of what goes on behind the scenes.

WE MEAN BUSINESS

The Year 10 Business Studies students are two thirds of the way through the selling phase of their business enterprises. All groups have been quite successful thus far, selling their wares at lunch times. They have gained some valuable insights into business practices and the trials and tribulations of being in business for themselves. But most of all, they have been smiling, enthusiastic and working well as teams.

As a reminder of what is on offer, the businesses and products available are:

- ‘Pop It’ selling bubbles and wands that range from $1.00 to $2.00.
- ‘Colour Your World’ with tie-dye tee shirts for $12 and multi-coloured bracelets from $1.00.
- ‘Zipper Headphones’ are offering non-tangling zip style earphones for $8.00 and basic earphones for $4.00.
Their third and final week of selling will see two groups out and about on Monday, Tuesday and Wednesday lunch times with a HUGE market day event during lunch time on Friday October 31. This will see all four groups selling their products plus a range of extra novelty items.

Please continue to support this valuable learning experience for students as they move into their final week of selling.

**eLearning Update**

**END OF YEAR PROCEDURES FOR STUDENT LAPTOPS**

As part of the school resource stocktake, all students will be required to return their laptops to the library prior to the end of this term for this year’s stocktake. For the stocktake, the students will need to bring in their laptops, case and charger. No data or programs are removed from the laptops during the stocktake or whilst in storage over the holiday period. The laptops will be reissued to the students at the start of 2015 when the annual eLearning charge of $250 has been made.

If the eLearning 2015 fees are paid this year by 17 November 2014 and all 2014 fees are up to date, the student has the opportunity to have their laptop reissued before leaving at the end of term 4, allowing them to keep their device over the Christmas holidays. If payment is made after 14 November 2014, efforts will be made to accommodate the reissue, however it cannot be guaranteed.

There will be a staggered timeline for students in different year levels to return their device to the library. Best efforts will be made to allow students to keep their device for as long as possible due to exams and assignments. Depending upon due dates for exams/assignments, some students may need to plan ahead and make alternative arrangements if access to files and data is needed after the return date. It is vital students return their device on or prior to the due date. If families depart for holidays earlier than the end of term, they will need to ensure the student’s laptop is returned to the library for the stocktake before the student’s last day.

All year 8-11 students will be receiving 2015 eLearning payment forms in their roll within the next fortnight. Additional forms and/or an eLearning Information Booklet are available from the school office.

**Important Dates**

- **17 November 2014**: Payment of 2015 charges are due if you wish to have your laptop over the Christmas holidays (this does not apply to Year 12 students)
- **19 November 2014 or before**: Return of Year 12 laptops
- **26/27 November 2014 or before**: Return of Year 11 laptops (must be before the end of the block exams)
- **27/28 November 2014**: Return of Year 10 laptops
- **4/5 December 2014**: Return of Year 9 laptops
- **4/5 December 2014**: Return of Year 8 laptops.

**An Update from the Coordinators**

**YEAR 8 COORDINATORS**

Over the past few weeks students have continued to be acknowledged for their positive behaviour, effort, academic results and extra-curricular activities.

Recipients of Gold Awards for Term 3 Behaviour and Effort were presented on Monday’s whole school assembly when they received their certificate and their invitation to a special morning tea hosted by the Year Level Coordinators. Silver and Bronze Awardees will be presented at the Year Level Assemblies over the next two weeks. Students eligible for the Behaviour and Effort Incentive Program end of year excursion have been notified of the event and the activities available for Tuesday December 9.

Academic Awardees will be acknowledged on Wednesday night October 29 at the 52nd Proserpine State High School Annual Awards Night. This is a very special evening where a student’s hard work is recognised for academic, sporting and cultural pursuits.

Students have been quite busy in representing the school at Gala Night, State Athletics and visiting local state schools. A special mention should go to Kyra Davis, Samantha Diamond, Tammi-Leigh Ludwig, Tessa Munster, Darcy Larkin, Jack Taylor and Jasmin Teys as they met with Year 6 and 7 students and discussed their time at Proserpine State High School. These students were well mannered, well groomed and spoke positively and frankly to the primary school students.

• ‘High Speed’ has a range of computer accessories including robot style USB hubs for $10.00 and standard USB hubs for $8.00, as well as LCD laptop screen and keyboard cleaners for $4.00.
Last week eLearning documentation was provided to students outlining the program for 2015. Please check with your son/daughter to obtain the paperwork. It is due back to the school by November 17, 2014.

Term 4 is progressing quite quickly so please assist your son/daughter with the time management in completing assignments and preparing for exams.

School Based Apprenticeships & Traineeships (SATs)

SATs allow students to study for their Queensland Certificate of Education (QCE), work for an employer, earn a wage, and train towards a recognised vocational qualification, while completing high school. Students have the opportunity to complete their traineeship while still at school, or if working towards an apprenticeship, converting to full time employment and continuing their training once they complete school.

Congratulations to the following students who have been signed into a school based apprenticeship or traineeship this year:

- Zach Horsford – Certificate III in Information, Digital Media & Technology @ Mick’s Mobile Computer Services
- Colby Arnold – Certificate III in Cabinet Making @ Total Kitchen Designs
- Larry Brett – Certificate III in Appliance Servicing @ Multivolt Pty Ltd
- Matt Kennedy – Certificate II in Retail Services @ McDonald’s Family Restaurant
- Bea Poblete – Certificate III in Hospitality @ Hungry Jacks
- Izaac Watkinson – Certificate III in Automotive Refinishing Technology
- Kellie Van Bergen – Certificate III in Retail Operations @ McDonald’s Family Restaurant.

Available Apprenticeships & Traineeships

- Full time apprenticeship in Marine Electronics & Communications - Cannonvale
- School based traineeship in hospitality – Airlie Beach
- School based apprenticeship in commercial cookery – Airlie Beach

Casual Employment

- Woolworths Airlie Beach have casual positions available in the deli, produce and bakery, see flyer for more information.
- City Beach is looking for casual staff to work through the December/January holidays, see flyer below for more information.

IMPORTANT INFORMATION FOR YEAR 10s

Do You Intend to Study Education at University?

Most universities have English, mathematics and science as their prerequisites for studying the Bachelor of Education (Primary and Early Childhood Education). Some universities stipulate either biology, chemistry or physics while others require any authority science subject. Year 10 students intending to study Education should check in their QTAC
Tertiary Prerequisite books for prerequisites. If students have not chosen a science subject they should see me ASAP to discuss options.

INFORMATION FOR YEAR 12s AND THEIR PARENTS/GUARDIANS

(See more information in the attached Options Bulletin (Career Options 16 to the left of this newsletter.)

Year 12 students will receive their Senior Education Profile (SEP) from the Queensland Curriculum and Assessment Authority (QCAA) in the mail from Monday 22 December 2014. The Senior Education Profile will be made up of one or more of the following documents (depending on your eligibility).

- Queensland Certificate of Education
- Tertiary Entrance Statement (OP and FPs)
- Senior Statement
- Queensland Certificate of Individual Achievement.

All results contributing to the Queensland Certificate of Education and OPs and FPs will be available in the Learning Account on the Student Connect website at https://studentconnect.qsa.qld.edu.au from 9am on Saturday 20 December 2014. You need your Learner Unique Identifier (LUI) and password (initially the day and month of birth) to log in and check your results. You will be able to access your results more quickly if you have previously accessed your Learning Account. Find out more about the SEP at https://studentconnect.qcaa.qld.edu.au/12615.html.

FINES AND THE LAW

If you’re convicted of a criminal offence, you could have difficulty getting a job or even be prevented from obtaining a visa to travel overseas.

Alcohol

Police and Office of Liquor and Gaming Regulation inspectors can issue on-the-spot fines for:

- drinking in a public place (18 years and over): $113
- underage drinking or possession of liquor in a public place, even if you’re holding a drink for your friend who is over 18: $256*
- being under 18 and found on licensed premises: $341*
- being under 18 and found drinking or just holding a drink for a friend on licensed premises $256*

*or you could be taken to court and fined for each offence you commit up to a total of $2846.

If you’re 18 and you supply alcohol to your underage mates you could face a fine of $9108.
Drugs

- Possessing or supplying illegal drugs can lead to severe penalties.
- Supplying others with illegal drugs is a serious criminal offence.
- Possessing a device that is used for smoking cannabis is an offence.
- In Queensland, 17 year olds are classed as adult offenders.

Identification

Don't fake it! It's illegal to use someone else's ID or make a fake ID.

- If you use a friend’s ID you may be fined $341* on the spot.
- If you lend your ID to a friend you may be fined up to $569* and the ID may be confiscated on the spot.
- If you deface an ID to use it you may be fined $455* on the spot.
- If you make and use a fake ID you may be fined $683* on the spot.

*or you could be taken to court and fined for each offence you commit up to a total of $4554

All fake IDs will be confiscated.

Fines correct at time of publishing however they may increase.

Student Resource Scheme 2014

Term 4 resource instalments are now overdue for payment. 2014 Student Resource Scheme fees should now be paid in full. If this is not the case, please make payment an urgent priority.

The school asks parents to join the Student Resource Scheme each year so that their students can have access to school resources at reduced cost to the parent and also to enable their students to take advantage of the many and varied benefits on offer to financial members of the scheme.

Your co-operation in finalising payments for the 2014 Student Resource Scheme would be greatly appreciated. In Term 4 there are a number of non-compulsory events and resources that can be denied to students whose resource scheme fees are not fully paid. These events and resources include: graduation ceremonies and celebrations (including Senior Formal), end of year activities in all year levels, distribution of completed art, home economics and manual arts projects and certificates as part of class modules can be withheld (e.g. first aid/Marine Education). School magazines are only issued to students whose resource scheme fees are fully paid.

Financial difficulty is a reality for some families. If you are having difficulty in making payments, in order to help your students, please don’t delay in contacting the school to discuss your options with the Finance Administration Officer, Megan Drennan on 4945 0111. It is not the aim of the school to disadvantage students in any way, therefore in this instance communication with the school is vital. Lack of communication may lead to the notion of unwillingness to meet your financial obligation.

RETURN OF TEXTBOOKS

Parents and students are reminded that all textbooks, library books and other resources loaned to students under the Student Resource Scheme must be returned to the school before the student completes the 2014 school year. It is vital that every effort is made to return the resources to the school as purchase of replacement items diverts funds away from other areas of need.

Students are asked to return all resources to the LIBRARY by the day of their exam. Failure to return items on loan for 2014 will result in an invoice being issued for payment. Your assistance in this matter would be greatly appreciated.

Student Resource Scheme and eLearning Fees 2015

The Student Resource Scheme 2015 package will be distributed to students Wednesday 29 October. The eLearning Program continuing participation payment forms have already been sent home; if you have not received this form please send your student to the office to collect one. The cost of the scheme for 2015 has remained at $220 and eLearning will be $250 (2015 Year 7 and Year 8 students $275), as endorsed by the P & C Association.

For ease of management for students, administration and all concerned, full payment of the resource fee by 13 February 2015 is the preferred option. If financial constraints do not permit full payment, term instalments are offered.

Payment for the 2015 Student Resource Scheme is now being accepted, with a large number of families taking the opportunity to pay (or make a deposit) early to alleviate the financial burden experienced at the start of a new school year.

Please Note: If payment has been made by internet banking, payment in advance, or will be paid by another source on your behalf, the Student Resource Scheme and eLearning Participation Agreement forms still need to be completed, signed and returned to the school office.

For convenience, the school offers automatic term deductions from credit cards for the Student Resource Scheme. These payments of $55 are accessed at the start of each term by the school and receipts sent home via the
student’s care group roll. Please complete the relevant section on the Student Resource Scheme Participation Agreement form (page 5 of the package), if you would like to take advantage of this payment option.

Internet banking is also a convenient method of making payments. The school’s banking details are outlined on the Student Resource Scheme Participation Agreement form (page 5). If choosing this method, it is important that the receipt confirming internet banking is attached to the Participation Agreement form and returned to the school office.

LET’S GET CONNECTED!

Last week we had the 2014 Proserpine State High School Gala Concert. The night was a huge success, with most people very pleased with the outcome of the student’s and teacher’s work. Huge congratulations to all the people involved in pulling off a great night. For the Year 12 students, this is their last Gala Concert with Proserpine State High School. It will be very sad to see such a lovely group of musicians leave the school band.

There were two awards presented on the night. Jade Davis from Year 8 was the recipient of The Most Developed Student Award and The Musical Director’s Special Award was awarded to Ashley Bel’s of Year 12. For the Year 8s this was their first Gala being a part of the Proserpine State High School Band and many of them are looking forward to being a part of next year’s Gala Concert.

Again, a big thank you and congratulations to all those involved in making this year’s Gala Concert a wonderful experience.
