Principal Perspective

THANK YOU TO OUR SCHOOL COMMUNITY
As the school year comes to an end I would like to thank our school community for assisting in making 2014 another successful year at Proserpine State High School. Students have had the opportunity to demonstrate their immense talent across many fields throughout the year and as a school we are very proud of their achievements. Our graduating Year 12 students exemplified what outstanding young people are produced at our school. School spirit which was the focus of our senior leadership group continued to highlight the tight bonds that exist with their peers and staff. A strength that will continue to drive the success of our school into the future. As a school we have worked hard throughout the year to continue to strengthen our school improvement agenda, reframing our approach for 2015 with the introduction of exciting initiatives.

I thank the students, staff, parents, volunteers, local businesses and industry for your support in collaboratively producing quality outcomes and learning opportunities for the students of Proserpine State High School. I wish everyone a safe and enjoyable holiday break.

QCS TEST ACHIEVEMENTS
Our Year 12 students are to be congratulated as a group for achieving “Above” the state mean on all aspects of the Queensland Core Skills Test. We now look forward to the much anticipated arrival of OP results.

The preparation given to the students by all teachers over the years is to be commended and especially that given by the hard-working QCS preparation team. Well done to all in continuing our proud academic record!
Year 11 students have recently undertaken initial QCS test preparations with writing samples currently being reviewed by the Mighty Minds team to assist students with preparation in 2015.

**YEAR 6/YEAR 7 TRANSITION**

The final transition day for our Year 6 and Year 7 students took place today. The extensive program undertaken throughout the year has prepared them well for secondary school with students looking very confident in their new surroundings. There has been a great deal of care and consideration dedicated to our new students in the junior school and I’m very proud of the team at Proserpine State High School for the program that has been created. I am extremely passionate about the junior secondary program and believe we have developed a program around the six principles of junior secondary that will support, nurture and challenge the academic success of our students.

**UNIFORM 2015**

I urge parents to take note of the uniform policy attached to ensure students are adequately prepared for the 2015 school year. I have mentioned several times to students on parade and parents through the newsletter that 2014 signals the end of the transition to our new uniform. I will be expecting that students are in the school uniform items as sold through the school uniform store or identically purchased items.

**MAJOR CONCERN – Girl’s shorts**

Shorts with splits up the sides (Lorna Jane, Running Bare, Athletics) or deemed not suitable length will not be allowed in 2015. Please make arrangements between now and the start of 2015 to have this rectified if this applies to your child.

**SCHOOL UNIFORM**

Proserpine State High School Parents & Citizens Association whole-heartedly supports the Proserpine State High School uniform policy. Our school community values the wearing of full uniform at all times, and this expectation is made clear to all students who enrol at Proserpine State High School.

The Minister for Education states that the advantages of wearing a school uniform include: “Developing a sense of belonging to a group; pride in membership of that group; and identification of students to and from school.” It is our school policy that the appropriate school uniform is worn each day. We urge all parents to support the acceptable standard of dress as detailed in this policy.

**Formal Uniform Details**

**Boys**

- Green striped tailored shirt with embroidered school logo
- Black tailored shorts with gold embroidered PSHS
- Formal grey socks (not compulsory)

**Girls**

- Green striped tailored blouse with embroidered school logo
- Black formal knee length skirt or tailored shorts with gold embroidered PSHS
- Formal white socks

**Ties**

Senior students only - It is compulsory for senior students to wear a tie when representing the school at special events and on formal occasions. It is optional at other times.

Female blouse designed to hang free, male shirt designed to be either tuck in or hang free style.

Expectations are that the formal uniform be worn on Mondays for whole school assembly, formal events and specific school excursions.

**Day Uniform Details**

- Shirt - Polo shirt with embroidered school logo (boy/girl styles)
- Shorts - Black microfiber shorts with gold embroidered PSHS (boy/girl styles)
- Socks - White socks
- Shoes - Closed protective footwear, as per attached photographic guidelines

**Sports Uniform Details**

- Shirt - Sports shirt in house colours with embroidered school logo
- Shorts - Black microfiber shorts with gold embroidered PSHS lettering
- Socks - White socks
- Shoes - Sports shoes as per attached photographic guidelines

**Winter Garments**

- Black jumper or cardigan with embroidered school logo
- Long black dress pants acceptable
- Black track pants with polo shirt is acceptable
- Plain black tights for females under formal skirt is acceptable
- Only Year 11 and 12 students may wear a senior jersey.
- No jeans (black or denim colour).

**Jewellery**

Jewellery is to be limited to:

- one flat ring
- one watch
- one bracelet
- one discrete necklace or chain
- one charity/school promoted wrist band
- sleepers or studs (maximum of two pair)

Students will be directed to remove non-compliant and/or unsafe jewellery.

**Facial Piercing**

Inconspicuous nose stud or facial piercing (clear stud)
- Flat, non-visible body piercings (e.g. belly piercings)

Any student who chooses to get piercings should ensure the piercing can be removed during school hours, or suitably covered or inserted with a clear stud. Workplace health and safety guidelines must be adhered to at all times.

**Hair and Makeup**

- Natural hair colours only
- Discreet hair colourations, streaks or tips
When outside a sun safe hat must be worn at all times.

On the rare occasion when a student genuinely needs to wear a non-uniform item of clothing a permission note from a parent/guardian must be presented to the CARE Group teacher. The student will be issued with a uniform pass. Students who frequently come to school in non-uniform clothes will be offered appropriate uniform items from the school’s second hand supply and/or issued a K5 detention. Failure to attend K5 detentions may result in after-school detentions.

Students dressed inappropriately will be withdrawn from practical classes and the playground during lunch breaks.

Shoe Guidelines

To ensure clarity, simple guidelines for you to follow when purchasing shoes for next year are as follows:

- Neutral makeup only
- Only pale coloured or clear nail polish is to be worn
- the shoes should not show any colour other than black in their appearance, including the logo and the foam support;
- the shoes should also have a sturdy upper, be it leather, vinyl, suede or similar material;
- shoes made from light materials like cotton, including Dunlop Volleys and Converse All Stars, and leather shoes with an open section around the instep, are not allowed as they do not meet our Workplace Health and Safety guidelines.

We hope that this new Uniform Code will better help the school meet its Workplace Health and Safety guidelines, and ensure that our students continue to represent the school in such a positive fashion by wearing their uniform properly.

FAREWELLS

Sadly at this stage of the year we say goodbye to several staff members who are moving onto new adventures at the end of the school year. I thank them for their dedication and commitment to the students of Proserpine State High School regardless of the amount of years spent at this school. We say goodbye to Jenny Stratford (retiring teacher), Sam Parkhill (teacher aide) and Sam Watt (contract teacher).

This year we farewell some long term teaching staff:

Mel Taylor

Melanie Taylor is one of our highly valued staff members. Ms Taylor has, over the last seven years at Proserpine State High School, been a highly respected teacher who has made many invaluable contributions to both the English and Humanities faculties. We wish Ms Taylor the very best as she heads off to Everton Park State High School in Brisbane in 2015.

Stephen Pinel

Steve Pinel after fifteen years of teaching at Proserpine State High School has officially resigned from the state school system. He was a valued staff member here for many years having been heavily involved with the eLearning development and in the science area as both a teacher and the Head of Department. His legacies are seen today in our high standards in both areas. We wish Mr Pinel all the best with his move to the Sunshine Coast.

Mr Don McDermid
Principal

Attention Parents of Year 8 and 9 Boys

BOYS DAY OUT

Wednesday December 10
9.00am – 3.00pm
Proserpine Showgrounds

The aim of the day is to provide a variety of male mentors for boys, encouraging them to achieve. The mentors will speak about their relevant life experiences and how these influenced them. Mentors have been enlisted from all walks of life including rural (cattle and sugar), tourism and hospitality, sailing, music and the arts, police/defence forces, building/construction, sport and other local businesses.

The structure of the day:

Boys will be allocated into groups of 10-15 students with a mixture of Years 8 and 9. In the morning sessions each group will hear from several mentors and have the opportunity to ask questions. All boys will complete a martial arts session which focuses on the self-discipline and control in that sport. They will then have a choice in the afternoon from the skills displays/sessions offered.

Some of the afternoon activities include:

- Fishing displays e.g. lure casting, how to throw a cast net, filleting and knife sharpening
- Knots and rope tying
- Playing music, painting, sculpting, wood carving
- Cattle/horsemanship displays, whip cracking, saddlery
- Sport e.g. touch football, cricket, etc.
- Plus more….

Other details:

A roast spit lunch will be provided free of charge. Drinks may be purchased. Students are to bring their own morning tea.

Students who travel by bus will be dropped off and collected from the showgrounds. All other students are to make their own way to and from the showgrounds.

A letter has been distributed to all parents/guardians. We look forward to your support for this valuable programme.
Queries to be directed to either Mrs Trisha McHugh or Mr Ben Whybird

Attention Parents of Year 8 and 9 Girls

DARING DIVAS DAY IN

Daring Divas Day In (previously “Girls Day In” or “Girls are Game”) will be held on Wednesday December 10 2014 at school. Year 8 and 9 girls will be expected to attend school and participate in a range of fun activities. They can wear sports uniform or day uniform. Morning tea and big lunch will be at the same times. The canteen will be open. Students can either bring their lunch and water as usual or purchase lunch from the canteen.

Queries to be directed to Ms Raylene Rasmussen

An Update from the Coordinators

YEAR 8 COORDINATORS

Congratulations to the parents and guardians of our Year 8 students as you and your child have made it through the first year of secondary schooling. We hope that the past twelve months have been a fairly smooth transition from Primary School to Junior Secondary.

At the end of 2013 the current Year 8 students were carefully placed in their core class by their primary school however they should expect change in readiness for Year 9. We hope they have used Year 8 to increase their friendship group.

The last week of the school year consists of three significant events: Year 6 and 7 Transition Day, Behaviour & Effort Incentive Trip, “Daring Divas Day In” and “Boys Day Out”.

Monday December 8 will see approximately 270 students attending their last transition day before commencing Junior Secondary in 2015. Students participated in three challenges (physical, intellectual and cultural) to assist in the development of their house group, care group and core class identity.

Over one hundred Year 8 and 9 students will be travelling to Mackay on Tuesday December 9 in recognition of their positive behaviour and effort demonstrated in 2014. Majority of the students will participate in Lasertag while other students will relax at the Blue Water Lagoon or test their skating skills at Mackay Leisure Centre. Thank you to the P&C Association for their support of this activity and enabling this many students to attend the day.

Boys and girls will participate in two separate events on Wednesday December 10. Girls will be busy at “Daring Divas Day In” at the school. The day has been planned by a group of Year 8 and 9 girls and coordinated by Ms Rasmussen. Boys will be relocated to the Proserpine Showgrounds for the day and have the opportunity to meet a variety of gentlemen from the community while participating in array of practical activities.

A reminder that parents need to notify the school if their child is unable to attend on any school day.

On behalf of the Year 8 teachers we thank you for supporting your child throughout 2014 and hope that your child continues to achieve to their potential in 2015.

Student/s of the Week

Week 7 Sienna Mau and Week 8 Shannon Elwin

Week 9 Bodhi Lade

Mrs Trisha McHugh & Ms Raylene Rasmussen

Year 8 Coordinators

Industry News

2014 has been a very busy year with work placements. 205 students participated in work experience this year in many different fields such as medical, construction, engineering, hospitality, agriculture, beauty, automotive, butchery, retail, childcare, journalism, marine, graphics, theatre, IT, electrical, hairdressing, laboratory, veterinary and many more! In the last two weeks alone we have had 50 students spend the beginning of their holidays at work placement. Work experience is a wonderful opportunity to sample and explore potential career choices and gather some ideas, skills and information about the world of work.

Liam Mason @ Helibiz

Connor Hawkins @ Whitsunday Times

Courtney Lewis @ kbDesigns Olivia Coyne @ Serenity Spa
118 placements were organised for students participating in Structured Work Placement as part of their certificate courses. These placements allow the students to apply what they have learnt in the classroom into a real life working environment.

18 students were signed up into new School Based Apprenticeships & Traineeships (SATs) this year, with 4 more ready to start in the new year.

SATs allow students to study for their Queensland Certificate of Education (QCE), work for an employer, earn a wage, and train towards a recognised vocational qualification, while completing high school.

To the Year 12 school based trainees and apprentices who have left us, I would like to congratulate them on the great success they have achieved in their fields, having either completed or secured full time employment:

- Colby Arnold only began his apprenticeship this year and will be continuing full time with Total Kitchen Designs as a cabinet making apprentice.
- Tahlia Borellini began her hairdressing apprenticeship in 2013 and will be working as a full time apprentice at Supercuts Hairdressing.
- Harley Brayford began his commercial cookery apprenticeship in 2012 and will be working full time at Fish D’Vine as a second year apprentice.
- Kerr Claxton began his electronics apprenticeship in 2012 and will be working as a full time apprentice with Airlie Electronics.
- Katie Carr began her Certificate III traineeship in Aged Care at the end of 2013 and has just one module left to complete to be awarded her certificate.
- Doug Cooper started his mechanical apprenticeship in 2013 and will be continuing as a full time apprentice with Proserpine Auto Repairs & Towing.
- Breanna Pirlo successfully completed her Certificate II traineeship in Animal Studies with Proserpine Veterinary Surgery and will continue to work for them while completing her Certificate IV.
- Alex Rodgers began his electrical apprenticeship this year and will now be working as a full time apprentice with Belmont Electrical.
- Brandon Scott began his glass and glazing apprenticeship in 2013 and is now working full time with Airlie Glass & Aluminium as a second year apprentice.
- Storm Tebbutt successfully completed her Certificate III in Business traineeship with City Beach.
- Jessi Large started her commercial cookery apprenticeship in 2013 and will now be working full time as a second year apprentice with Airlie Beach Hotel. Jessi was also awarded Proserpine State High School’s School Based Trainee of the Year. This award was due to the commitment and dedication shown to her traineeship, whilst maintaining a high standard in her attitude, behaviour and grades at school.

Well over 100 businesses opened their doors to our students this year for either work experience, structured work placements or school based traineeships and apprenticeships. We thank you very much for your support and for giving your time and expertise to enlighten and engage our students in your field of work, helping them to make informed decisions regarding the pathways they may like to pursue. Thanks again and I look forward to your continued support in 2015.

Hope you have a happy and safe festive season…………..

Mrs Nicole Jolley
Senior Schooling & Industry Liaison Officer
Health Matters

COPING AT CHRISTMAS

No matter what makes you dread this time of the year, or if you’re worried about someone else, here is a five-point guide to help you through.

1. Don’t give yourself a hard time.

People expect to be happy at Christmas and New Year. When reality doesn’t work out that way, it can be even more depressing. Don’t blame yourself if you’re not feeling great - you are not alone.

2. Spot the signs of trouble.

If the future seems bleak, and you have lost interest in everything, you need to take stock of your situation. Watch out for the following signs of emotional distress: difficulties getting to sleep, problems eating, excessive drinking, being anxious, and being angry. Emotions are your body’s signal that something is wrong. If you feel moody, take it seriously and take action.

3. Look after yourself.

If your body is healthy, your mind is more able to cope.

- Eat sensibly and plenty of sleep
- Don’t rely on alcohol or drugs to get you through
- Exercise to raise your mood
- Take time out for yourself
- Give yourself the occasional treat - you deserve it!

Find someone you trust, who’ll keep what you say confidential, then tell them about your problems. Unexpressed emotions stop you coping with everyday life. Once you talk about them, you’ll find you’ve got more energy, you think more clearly and you’re more able to sort things out.

5. Ask for help.

Know when you need to get help, and don’t be afraid of asking.

Wishing you all a MERRY CHRISTMAS and safe HOLIDAYS,

Mrs Karen Dachs,
School Based Youth Health Nurse
Monday, Tuesday and alternating Wednesday
on 4945 0112 from 8am to 4pm

Student Resource Scheme 2015

REMINDER! 2015 Student Resource Scheme fees are due for payment by 13 February 2015. Payments can be accepted up to 3pm Wednesday 10 December 2014. The school office will be closed from 13 December 2014 and will be open in 2015 from Tuesday 20 January to accept Student Resource Scheme payments. It is important that the signed “Participation Agreement Form” (page 5 of the Student Resource Scheme package) is returned with payment.

Prompt payment of Student Resource Scheme fees will enable students to have immediate access to all benefits provided by the scheme. Payment by internet banking may be made at any time during the holidays. These payments will be processed during the week prior to the commencement of school in 2015. If payment has been made via the internet, please return the signed “Participation Agreement Form” to the school office at the commencement of school.

Internet banking details:
Proserpine State High School General Account
(Commonwealth Bank)
BSB 064-816
Account Number 0009 0131.

Please make sure the payment can be identified by using the student’s name as the description.

Resource Scheme fees unpaid from 2014 will be carried forward and payment will be expected in 2015. Any unpaid fees remain a debt to Proserpine State High School.

• Eat sensibly and plenty of sleep
• Don’t rely on alcohol or drugs to get you through
• Exercise to raise your mood
• Take time out for yourself
• Give yourself the occasional treat - you deserve it!

6
RETURN OF TEXTBOOKS

Parents and students are reminded that all textbooks, library books and other resources loaned to students under the Student Resource Scheme must be returned to the school before the student completes the 2014 school year. It is vital that every effort is made to return the resources to the school as purchasing replacements diverts funds away from other areas of need.

Students were asked to return all resources to the LIBRARY by the day of their exam.

Failure to return items on loan for 2014 will result in an invoice being issued for payment. Please assist by checking your student’s room and promptly returning all books to the school library.

Your assistance in this matter would be greatly appreciated.

TERMINATION OF ENROLMENT PROCEDURES

It is the responsibility of a parent/guardian to notify the school administration by letter or phone prior to a student leaving this school. A forwarding address and bank account details should be provided for future correspondence and possible financial refunds and the name of the new school that the student will be attending will be required. On the last day of attendance the student must bring to school all resources on loan from the school (e.g. laptop, case, charger, textbooks, library books, calculators).

If all school resources have been returned, in good condition, and you are participating in the Student Resource Scheme and eLearning Program, you may be eligible for a pro-rata refund. These procedures are outlined for your information in the school diary issued to students as part of the Student Resource Scheme. Please adhere to these procedures when your student is leaving this school and advise your student to report to the office to finalise their enrolment at Proserpine State High School.

RETURN OF MEDICATION

ALL medication is to be collected from the office before the end of the school year.

Students who may need to take medication next year are asked to complete an Administration of Medication form, which can be collected from the office.

LOST PROPERTY

If your student has misplaced any item at all, chances are that it is in the lost property rack at the office. Hurry and collect it/them as all items will be donated to charity on Thursday 11 December.

KEEP A WATCH ON OUR SCHOOL THESE HOLIDAYS

Parents and students can help take care of our school by reporting any suspicious after-hours activity to School Watch on 13 17 88. By keeping an eye out we can work together to create a safer school community and help to reduce vandalism, theft and arson in our school.

If you see something suspicious, please don’t intervene. Call the School Watch number and let the local police or State Government Protective Security Service deal with the matter.

For Sale by Tender

Transportable building approximately 14m x 6m currently situated at Proserpine State High School on the corner of Ruge and Chapman Streets, Proserpine is being offered for sale by public tender.

Description of Item:

- 4 carpeted rooms measuring 5000mm x 3000mm approximately located around a central carpeted lounge room which is 6000mm x 4000mm approximately;
- All rooms including the central lounge room are air conditioned with split system units under 2 years of age;
- Front and rear stairs and outward opening doors provide external access to the common lounge room;
- All rooms have the potential for reconnection of electricity, telephone and air-conditioning units. (These services will be terminated by School contractors by Thursday 11 December).
- Inspections can be arranged prior to 1pm on Friday 12 December 2014.

Conditions:

The successful tenderer will be responsible for:

- detailing how the removal will occur;
- removal costs, licenses and permits to relocate the building;
- payment must be made by EFT or bank cheque prior to removal and by a negotiated date; and
- The building is to be removed from the school grounds by 9 January 2015 (or later by negotiation).

To arrange an inspection phone Proserpine State High School on (07) 4945 0111.

Tender forms are available from:

- www.proserpnshs@eq.edu.au ;
- email request to the.principal@proserpnshs.eq.edu.au ;
- phoning (07) 4945 0111; or
- from the school office at 4 Ruge Street, Proserpine 4800.

Tenders will be evaluated by a team consisting of the Principal, the Business Services Manager and the Head of the Facilities Committee. The lowest tender may not be successful.
Tenders close on Wednesday 17 December 2014 at 1pm and can be:

- emailed to jphil99@eq.edu.au
- faxed to (07) 4945 0100
- delivered to the school office at 4 Ruge Street; or
- posted to PO Box 220, Proserpine, 4800.

All communications should be marked CONFIDENTIAL.

Canteen

The canteen will be closed after morning tea on Thursday December 11 for the year. We will not be opened on Friday.

There will be sausages in bread and soft drinks available for sale during Thursday lunch.

Thanks to all our wonderful volunteers, staff and students. Hope you all have a Merry Christmas and an enjoyable holiday. See you in the new year. Ho! Ho! Ho!

Cheers from the canteen ladies...

Whitsunday Transit

Whitsunday Transit is making some minor changes to school runs S2, S3 and S19 and introducing a new school run S23 for the beginning of the 2015 school year.
