Proserpine State High School Multi-Purpose Hall

More information can be found under Careers Expo.

Uni Life and Application Information Evening

Wednesday 10 August 2022

From 6pm to 7pm

P&C Meeting

This month's meeting will be held on **Wednesday 17 August 2022** in the Meeting Room at the Administration building starting at 6pm.

PRINCIPAL PERSPECTIVE

Senior Student Study Plans

At the beginning of a new academic semester, it is timely to revisit a few key tips for parents that will ultimately assist their students with reaching their full learning potential during their time at Proserpine State High School. To begin, I would like to discuss the importance of you knowing your child's study plan and helping them manage their study time.

The senior years of schooling are busy and challenging for all students. Success in the senior years requires students to develop successful organisational skills and study habits to manage the various demands of their academic and co-curricular program. Teachers closely monitor students during their school day and actively support the development of the essential skills for academic success. However, when students return home, we are not able to continue this monitoring and it is here that your involvement becomes critical to their success.

Students in the senior years are currently tracking and reviewing their academic progress and accumulation of points towards their QCE. There are several support staff to assist students in achieving success including the class teacher, Head of Departments for specific subjects, Senior Schooling Head of Department, Deputy Principal and Principal.

Be aware of your child's study and assessment commitments. All students at Proserpine State High School have access to a semester study planner which details all their core learning and assessment requirements. These semester overviews are available for download from our school website. While study loads will vary for students depending on the subjects they have elected, students striving to attain their full potential can generally expect to be committing to study daily. Your child should have a clear study plan that details time allocations for homework, assignment work and regular review/revision work for each of their subjects. The study plans your child develops should also detail time for their co-curricular and extra-curricular commitments. Maintaining a balanced lifestyle is essential in maximising achievement.

House Cup - Athletics

Another great display of House spirit was demonstrated last week throughout the Athletics Carnival. Congratulations to the organising staff for an amazing day.

A highlight on the day was the House Captain skit – which included this year some very witty staff take offs as part of the act. I value the opportunity for students to display the great relationships that exists between staff and students at our school, in a respectful, yet fun manner.

Congratulations once again to Flinders for being crowned Athletics Day Champions 2022 and to all our Age Champions in their respective age groups.

Flinders' Captains and Vice Captains

School Opinion Survey

The School Opinion Survey is open until **Friday August 12 2022**.

I encourage all parents to access the survey link which has been sent to your email address, as the information gained from this feedback is used to lead our school into the future.

Survey queries or requests for translations can be directed to the school administration on telephone 07 4945 0111.

Parent and Carer Engagement Opportunities

Our Parent Teacher Interviews were once again well attended and it was pleasing to hear the positive conversations occurring throughout the afternoon. Building positive connections between home and school is a priority for our school. Our Parent and Community Engagement Framework clearly

outlines that strong relationships between the home and school lead to higher levels of student achievement and success.

Parents and Carers unable to attend the Parent Teacher Interviews last Wednesday are encouraged to contact their child's teacher via email or through the office if they require information. Appointments will be made where necessary for parents to speak with teachers or members of the leadership team at Proserpine State High School.

Further engagement opportunities exist throughout this week as we prepare students for the 2023 school year.

On **Wednesday 3 August 2022** our first Year 7 Transition Evening will be conducted for students currently in Year 6. Our information session commences at 6pm in the Performing Arts Centre.

On **Thursday 4 August 2022** Year 9 and Year 10 parents and carers are invited to a Senior Education and Training (SET) Parent Night.

- Year 9 information talks with faculty leaders and staff commence at 5:30pm in the Multi-Purpose Hall followed by the information presentation at 6:00pm in the Performing Arts Centre.
- Year 10 information talks with faculty leaders and staff commence at 6:10pm in the Multi-Purpose Hall followed by the information presentation at 6:45pm in the Performing Arts Centre.

eSafety Presentations

Recently Sergeant Nigel Dalton our District Crime Prevention Coordinator presented eSafety and Wellbeing talks to our Year 7, 8 and 9 students. Sergeant Dalton raised awareness on the increasing risks young people face online and through social media. A concern outlined was the growing incidents of exploitation of teenagers.

SchoolTV experts state that Since mid-2021 and the beginning of 2022, there has been a 400% increase in sextortion crimes being reported to the police in Australia alone.

Although this has been an issue for over a decade, originally the victims were usually adults. However, more recently the targeted victims have been young adolescent males, but that is not to say that young females are not also targeted. It is therefore, vitally important for adult carers to be aware of this serious issue and to start having an age appropriate conversation as early as possible.

Please visit the SchoolTV link below for this important special report.

SPECIAL REPORT: Sextortion - What you need to know

You may not be familiar with the term, but 'sextortion' is a form of blackmail where someone threatens to share intimate images of you unless you give in to their demands. Across the globe, organised criminal gangs are using social media, chat apps, instant messaging platforms and online games to target and connect with their victims. Recently, there has been a 400% increase in this type of crime being reported to police in Australia alone with these figures being replicated in most

western countries. Any child that uses an online account to connect on social media, chat apps, instant messaging platforms or online games needs to understand the dangers associated with engaging with random people that they don't know personally.

Even though your young person's online account may be set to private, random people can still message your child. Managing devices can be difficult especially with older teens, but it is important to weigh up the risks and dangers. Sadly, even good kids who never make a poor decision elsewhere in their life, can and do make poor choices online.

This Special Report explains how your young person can fall victim to such a crime and what action to take to support them. We hope you take a moment to reflect on the information offered, and as always, we welcome your feedback. If this raises any concerns for you, a loved one or the wellbeing of your child, please seek medical or professional help.

CAREER EXPO

PROSERPINE STATE HIGH SCHOOL

Careers
All Welcome **EXPO**

5 August 2022
11am → 2:00pm
Multi-Purpose Hall

2022

PROSERPINE STATE HIGH SCHOOL

Friday 5 August 2022

ARE YOU LOOKING FOR A CAREER CHANGE, FURTHER STUDY OR INFORMATION ABOUT THE JOB MARKET?

If so, you'll find this information at the Careers Expo Proserpine.

The 2022 Proserpine Careers Expo, to be held on Friday 5 August at the Proserpine State High School's Multi-Purpose Hall, has evolved into a major source of careers and further education information for the local community.

Co-coordinator, Bec Watts said that for anyone considering tertiary study or undertaking any type of training, the expo provides a unique opportunity to speak with representatives from most Queensland universities, private colleges, TAFE Institutes and training organisations, as well as local industry.

"With access to over 50 exhibitors including the Wilmar Proserpine Sugar Mill, the Defence Force, the Whitsunday Regional Council and representatives from a wide range of careers, all those attending the expo can expect to receive relevant and expert advice. The information should be exact and up to date."

Students from Proserpine, Whitsunday Christian College, St Catherine's Catholic College, Calen District State College, Collinsville State High School and Bowen State High School will be attending, but co-coordinator, Ms Watts said she was hoping that the event would also attract other local community members who were hoping to find out about further study or career options.

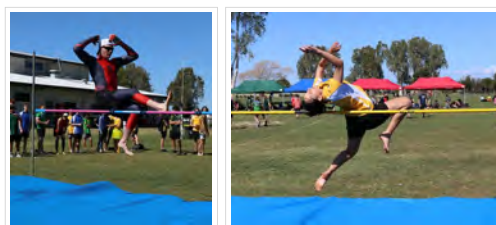

Admission is free and exhibitors will have highly knowledgeable staff on hand to answer questions and provide advice. They

will also be giving away brochures, course information and prospectuses. The event will run from 11am to 2:00pm on Friday 5 August 2022.

For further information contact:

Bec Watts – Careers Expo Co Coordinator on 4945 0161 or

Jenni Healy – Careers Expo Co Coordinator on 4945 0115.

SPORTS SECTION

Athletics Carnival

The annual school Athletics Carnival was held last Wednesday July 27 with excellent attendance from enthusiastic students. Again, participation won the day with Flinders (1534 points) successfully retaining the Athletics Shield for the second year straight, defeating Cook (1306), Kennedy (1169) and Oxley (1155). There were excellent numbers participating enthusiastically in all events for all houses particularly in the U13, U14 and Open Age divisions. Flinders B division total of 392 over Cook (326), Kennedy (310) and Oxley (249) topped off their win and highlighted their great House Spirit.

Congratulations to all those who attended and participated in a great day and congratulations to our athletes who competed for both team and the individual honours of personal bests and age champions. A number of age championships were very tight contests.

Age Champions	Girls	Boys
13 Years	Dash Turner (Flinders)	Evan Beale (Cook)
14 Years	Lillian Kelly (Cook)	Hayden Milliken (Oxley)
15 Years	Demi Vardanega (Flinders)	Zavier Goswell (Flinders)
16 Years	Isabella Mitchell (Flinders)	Jordan Daniels (Flinders)
17/18 Years	Jayme Farr (Oxley)	Mac Rogers (Flinders)

Thanks go to all the staff who helped during the day which once again turned out to be a highlight of the school calendar.

Whitsunday Athletics Trials

Any students who finished first, second or third in any events qualify to represent the school at the Whitsunday Athletics Carnival here on **Wednesday 17 August** and should have collected their forms and returned them and the trial fee to the office to compete.

After the Whitsunday Carnival any students who finish first in track events (100, 200, 400, 800m) qualify to attend NQ Trials and second have their best time nominated. Students who finish first or second in field and distance events (1500m, 3000m and 5000m) qualify to attend NQ Trials.

The North Queensland Athletics trials are in Townsville on **Thursday 1 September**.

There will be training after school on Wednesdays and students can see Mr Cox or HPE staff to request/organise other lunchtime or after school training.

Lawn Bowls

Georgia Butler and Amelia Brain recently competed in the Mackay/Whitsunday Final of the State Schools Lawn Bowls Competition. They played well but unfortunately didn't win any of their matches. The experience of playing at this level will benefit them for next year when looking to represent the school again. Hopefully they'll have some competition from other students to be the school representatives.

Thanks to Airlie Beach Bowls Club for training the girls.

During Term 4 we will be looking to hold some Come and Try Lawn Bowls days to introduce the sport to more students. Hope to see you there!

SENIOR SCHOOLING NEWS

Parents/Guardians of Years 9 and 10

Please find below information regarding the important Parent/Carer Night on Thursday evening 4 August 2022 regarding subject selections for 2023.

We invite both you and your child to attend.

Details with regards to SET Plan interview times for Tuesday 30 August will be further explained and times available to book (Year 10s only).

DATE CLAIMERS for Key Dates - Years 9 and 10

It is approaching the business end of the year for Year 10s and the students will be involved in several important decisions concerning their pathways in 2023.

SENIOR EDUCATION AND TRAINING (SET) PARENT NIGHT

Date: Thursday 4 August

Where: Proserpine State High School Performing Arts Centre

Presentation Time: 6pm Year 9 and 6:45pm Year 10

Arrival: Year 9 parents and students arrive at 5:30pm and Year 10 parents and students arrive at 6:10pm.

Upon arrival go to the Hall to meet and greet faculty Heads of Department to discuss subject areas.

An information evening about:

- Senior Education and Training Plans (SETs)
- Student Apprenticeships and Traineeships (SATs)
- Queensland Certificate of Education (QCEs)
- Subject selections for 2023
- Australian Tertiary Admission Ranks (ATARs)
- Students can sign up that night for interview times

SET PLAN INTERVIEWS YEAR 10 ONLY – TUESDAY 30 AUGUST

All parents/carers and their Year 10 student will be required to sign up for a face-to-face interview with a staff member who will assist the student, in consultation with the parent/carer, to fill in an online Senior Education and Training Plan (SET Plan).

Year 10 classes will not operate on the day to allow all students and parents/carers to participate.

Bec

Ms Rebecca Watts
Head of Department
Senior Schooling
rwatt98@eq.edu.au

Parents/Guardians and Year 12 Students

DATE CLAIMER

Year 12 Uni Life and Application Information Evening

Date: Wednesday 10 August

Presentation Time: 6pm to 7pm

Where: Proserpine State High School Lecture Theatre

Information includes: QTAC University application process, accommodation options and university costs.

Erin

Mrs Erin Jarred
Year 12 Coordinator
ejarr23@eq.edu.au

Industry News

Work Experience

- Cruise Whitsundays - multiple opportunities as deckhands, cruise attendants (marine), stores, reservations, café, catering or administration;
- Mechanical in Cannonvale - wanting a Year 11 or Year 12 student who will have licence by end 2022;
- Casual retail opportunities - in Cannonvale;
- Mackay business - looking for student to complete work experience this year to begin in Engineering Cadetship (paid to study) or electrical apprenticeship; and
- Defence work experience - There are several work experience opportunities in Townsville.

Apprenticeships/Traineeships

There are various apprenticeships and traineeships available. Please see Miss Simpson or myself for information.

Casual/Part-time Employment

- Hamilton Island - casual IGA, bakery and housekeeping - casual positions (ferry tickets included) weekend and school holidays.
- George's Diner - Conway Beach, great first job!
- Boost Juice - casual for weekend, after school and holidays including the summer holiday period.
- Belvedere Toscana - hospitality staff required.

Certificate Courses

- Cert II Maritime (Coxswains) – expression of interest for 2023; and
- Cert II in Outdoor Recreation (scuba) – expression of interest for second week of the September school holidays – Years 11 and 12.

ADF Gap Year

The ADF Gap Year Program gives students the chance to experience an exciting and rewarding 12-month role in the Navy, Army or Air Force. This opportunity:

- Pays a good salary plus generous superannuation;
- Teaches practical and leadership skills;
- Provides healthy and varied lifestyle;
- Offers opportunities to travel within Australia;
- Encourages fitness and participation in sports;
- Fosters teamwork and lifelong friendships.

Roles that may be available are in administration, airbase protection, combat roles, general maritime duties, logistics and transport.

If you are interested in this opportunity please see Miss Simpson or myself in B4.

General Construction Induction Training Card (previously called a White Card)

The school is looking to engage TAFE to deliver general construction induction training (previously called white card) at the beginning of Term 4 for students in Years 9 to 12.

If you are considering participating in work experience or looking to work in the construction or electrical industries once you leave school, it's recommended you gain this card. The training will give you a basic knowledge of:

- work health and safety laws;
- common site hazards; and
- how to control the associated risks.

Register your interest in B4. Once numbers have been finalised, more information in relation to the training date and cost will be provided to interested students.

Please visit B4 for more information on the positions available, school based traineeships & apprenticeships, or work experience.

UPDATES FROM COORDINATORS

Year 7 Coordinator

2023 Year 7 Parent Information Evening

When:

- Wednesday 3 August 2022

Time:

- Tours 5:30-6pm
- Information session 6-7pm

Location:

- Tours - meet out the front of the school (Ruge Street) near the Canteen
- Information session held in the Performing Arts Centre.

THIS IS A PARENT ONLY EVENT

During this initial evening, parents will have the opportunity to tour the school, which will be guided by Proserpine State High School Senior Leaders. Parents will then attend a session in which they are provided with information about the school. Topics covered include – Junior Secondary curriculum, core class structure, key Junior Secondary staff, support staff, uniform expectations, Care Group structure, routines and procedures. Parents will also hear from some of the current Year 7 students about their impressions of secondary school.

Year 7 Camp Kanga

Where: Camp Kanga, Proserpine.

Please read the organisational details below as to when your child will attend.

Camp details for students in 7A, 7B, 7C, 7D and 7E:

- Depart - Wednesday 10 August Proserpine State High School at 9am.
- Students stay overnight (Wednesday) at Camp Kanga.
- Return - Thursday 11 August Proserpine State High School at 3pm.

Camp Details for students in 7F, 7G, 7H, 7I and 7J:

- Depart - Thursday 11 August Proserpine State High School at 9.00am.
- Students stay overnight (Thursday) at Camp Kanga.
- Return - Friday 12 August Proserpine State High School at 3.00pm.

Behaviour

While on camp, the behavioural expectations remain as they are for school. Any incidents of misbehaviour will be dealt with as per the school's code of conduct and behaviour management policies and procedures.

Venue and Catering

The venue for the camp is Camp Kanga located close to the Peter Faust Dam, Proserpine. The students will be staying in bunk style accommodation. Catering staff will make allowances for students with specific dietary requirements. **If your child has specific dietary requirements, please provide written details outlining specific requirements.**

Health Matters

Information on Vaping for Parents....

While it's true that tobacco smoking has fallen out of favour amongst Australia's youth in recent years, they're taking up an increasingly popular and dangerous alternative: 'vaping'.

Vaping resources for parents and carers are available, these resources were created to fill the knowledge gap around vaping and e-cigarettes, empowering parents and carers with the latest research and information to engage in meaningful conversations with their dependents about the potential harms. The resource offers evidence-based information on vaping, its health, safety and legal issues in Australia, and the ways in which it presents a serious health risk to the body and lungs.

Yarning Circle

NAIDOC Week Activities

Monday

As an Elder of the Ngaro People and connection to Gia Country, I had the responsibility of creating a safe but traditional smoking ceremony before our students and staff entered the Hall for our usual Monday parade. On parade, Indigenous Student Leader, Kirralee Elies spoke about the weekly events that would take place during the week and encouraged everyone to participate in the cultural activities during morning tea and lunch breaks.

First and second break we had several activities available such as the boomerang and cast net throwing, didgeridoo playing, dot painting and a scavenger hunt or hunting and gathering challenge questions. We did lose a few boomerangs on the roof of SLC Building which did not come back. These activities were ongoing throughout the week with the help of staff and student volunteers.

Tuesday

We saw an increase in student participation in all activities starting with the Gia touch footy games, Head Space BBQ and interactive stall. Unfortunately due to strong wind conditions, cooking sausages was difficult, the BBQ had to be moved to Wednesday morning tea. Great to see our Principal, Don McDermid referee one of the junior boy's touch games while I did the other. Teams to advance to the finals were Kennedy and Cook. Flinders and Kennedy will receive 10 points each for their House Team. Well done boys great game.

Wednesday

Myself and volunteer students Kirralee Elies, Layla Linneweber and Emily Jeffcoat were invited to Whitsunday Family Day Care staff house to read an indigenous book called "How the Birds Got Their Colours". We had six children, one grandparent and four staff at Debbie Gow's home. She is one of many Day Care mums in Proserpine who was nominated to host the event. We were nominated a child to work with to make a colourful bird, gluing feathers onto a printed sheet than we also drew some Australian animals on the concrete. Last but not least was the coloured spray handprint which was a bit of a mess. A big thank you to Kylie Smith for inviting us to celebrate with them.

Our next stop was the Proserpine Kindergarten where we once again introduced ourselves and talked about some of the Aboriginal and Torres Strait Islander artefacts. The children sat, listened and took turns holding the clap sticks, boomerang, red and yellow ochre, weaving baskets, bamboo bow and arrows. Layla Linneweber volunteered to read a book to the children which settled the kids before we left. Once again, a big thank you to Amy Carlson and staff for inviting us to talk about our local aboriginal culture.

Dot painting on the boomerangs was a success. We created a dot painting on canvas of a rainbow serpent. Each student took a canvas and used their artistic flair and skills to paint individually. When the students were finished and placed together the canvases to create a unique dot painting for Naidoc 2022 which will be displayed at our school. Well done everyone!!

Full credit to the junior boys for organising their House Teams for the Touch Footy. They were the only ones to organise teams. The two teams that made the finals were Cook and Oxley. What a spectacular and close game it was, drawing four tries each. There can only be one winner and that was Cook for scoring first. Well done Cook boys you earned 40 points, Oxley 20 points and Flinders and Kennedy 10 points each. Touch Footy Junior Boys Finals was a little bit disorganised getting teams together which created a late kick off at the lunch break. Oxley and Cook were the big contenders fighting for the knockout championship put on a good display of footy skills and mateship.

Thursday

Rain woke me up at 2:35am but fortunately only stayed overcast for the rest of the day. We started with a great big fire (boorie) to warm us up in the early wink of the morning. We prepared several meats to be cooked underground with

the help of volunteer students and staff. A big thank you to Chris Lane for the wood, Gale Watts, Kirralee Elies, and Karen O'Keefe for the wonderful salads and carving up the meats which was served at lunch time for all staff. Good to see staff in the Common Room sitting, eating and chatting with one another but most importantly in their floral clothes. Today the theme was Floral Thursday for staff to dress up and support Naidoc Week at Proserpine State High School. Thank you all for attending.

Friday

The last day of Naidoc Week celebrations and we only focused on morning tea and lunch activities with the cast net throwing and dot painting. Good to see some of the boys having a go at the didgeridoo.

All activities went well and were supported by both the students and staff who all were engaged and participating. Great feedback from staff, looking forward to next year.

See yah when I'm looking at yah!

Arthur

Mr Arthur Gabey
Community Education Councillor
agabe6@eq.edu.au

SCHOOL OPINION SURVEY

Thank you to all of those who have already completed the *Parent/Caregiver Survey*. If you have not had a chance to complete the survey yet, please note that the online surveys will remain open until **Friday, 12 August 2022**. This is your opportunity to provide feedback about what our school does well and how we can improve.

To have your say, check your email for an invitation from the Department of Education titled *School Opinion Survey for parents and caregivers, 2022*.

Can't find your invitation? If your family has more than one parent/caregiver, check that they haven't received the invitation and/or check your junk email folder.

FOR SALE

Used Timber Doors for Sale

The listed items are being made available for sale by Proserpine State High School.

Timeline:

If interested please call 4945 0121 by Friday 5 August.

Payment at the office by credit card prior to collection.

A collection time must be arranged and all removal charges are the responsibility of the purchaser.

Condition of Goods:

10 x timber doors 600 x 2000 and condition is on an "as is" basis only. Sale is for individual doors at \$25 each.

No warranty or backup service is available, either implied or stated, after an item has been removed from the school.

<https://www.qld.gov.au/transport/safety/rules/wheeled-devices/personal-mobility-devices>

Anyone who scoots, rides or skates to and from school should:

- Wear protective gear and a helmet, which is mandatory if riding an electric scooter or skateboard

<https://www.qld.gov.au/transport/safety/rules/wheeled-devices/skateboards>

- Give way by ringing your bell when approaching pedestrians and overtaking on the right
- Travel at the appropriate and safe speed for the environment in which you are travelling
- Be respectful to pedestrians and other path users and keep out of their way
- Adhere to road rules when riding an e-scooter
- Park responsibly to avoid becoming an obstacle or risk for others.

GENERAL INFORMATION

New payment process introduced for parent and carer convenience

Proserpine State High School has introduced a new payment process Qkr! to offer parents and carers a way to make faster, more convenient payments from your phone anywhere and at any time.

Student Resource Scheme fees and school camps are just an example of items currently listed on Qkr! Over the coming months more school items and activities will be available for your payment convenience.

Below is the 'How to Guide' which includes instructions on how you can download and start using Qkr!

https://proserpineshs.schoolzineplus.com/_file/media/4569/marketing_howto_noncanteen.pdf

Important safety reminder for schools - travelling safety to and from school

The health, safety and wellbeing of our students, staff and school community is of the highest priority.

All types of travel have inherent risks. Regardless of how any of us travel, it's important we are mindful of the potential risks and manage them to avoid incidents and injuries.

With the increasing use of rideables such as electric scooters, skateboards and bikes, ensuring the safety of your staff, students and pedestrians is essential.

Please note that Queensland Road Rules apply to e-scooters and e-bikes.
