

Investing for Success

Under this agreement for 2022 Proserpine SHS will receive

\$492,242

This funding will be used to

- Increase the percentage of all students meeting NAPLAN national minimum standard in Year 7 and Year 9 Numeracy and Writing to 95%.
- Increase the percentage of Year 7 and Year 9 students meeting the achievement standard in English to 85% or greater.
- Increase the percentage of students achieving the Queensland Certificate of Education (QCE) to 98%.

Our initiatives include

- Increase teachers' repertoire of effective strategies for teaching writing across all learning areas.
- Embed the culture, processes and protocols of instructional coaching to support professional growth and encourage effective practice to enhance quality teaching and learning strategies.
- Provide focused and intensive literacy and numeracy programs for students requiring additional support to demonstrate achievement against specific year level achievement standards.
- Build teacher capacity to identify and remove barriers to learning for all students through differentiated, focussed and intensive teaching.
- Monitor individual student QCE data and review progress through regular inquiry cycles.

Evidence: Sharatt, L & Fullan, M – Putting Faces on the Data, Corwin Publication, 2012.

Our school will improve student outcomes by

- Engaging additional teachers to target fundamental literacy and numeracy skills: \$100,000
- Engaging pedagogy leaders to embed quality planning and teaching practices across all curriculum areas: \$164,000
- Engaging specialists in writing to enhance teaching practice across all subject areas: \$50,000
- Providing TRS to enable groups of teachers and leaders to engage in collaborative data inquiry and to build curriculum clarity: \$40,000
- Engaging additional teacher aide support in classrooms to support school programs: \$110,242
- Engaging a senior school officer to monitor and track students toward QCE attainment: \$28,000
