PROSERPINE STATE HIGH SCHOOL
2024 SUBJECT REQUIREMENTS

YEAR 11 / 12

Engineering Skills

Covered robust shoes for the workshop
Long sleeve cotton drill shirt and pants or boiler suit overalls
Safety glasses

Film, Television & New Media

Minimum 32gb USB device (*however consider a 64gb or external hard drive if continuing to grade 11 & 12*)

It is essential that students are part of either the CYOD or BYOD computer programs. The school has few computers equipped with editing software and these are in high demand. If students are not part of the CYOD or BYOD program, they will need to do extensive editing at school outside of lessons, either before school, after school or at lunch times.

Please also note:

Students will be provided with a subscription to Adobe CC Complete Desktop Apps Package

If choosing CYOD, to successfully run the video editing software, students must choose the i7 option.

If students are choosing to bring their own device, it must meet minimum specifications to smoothly run the software with 4K/1080p footage. For the latest minimum computer requirements, please visit <http://helpx.adobe.com/premiere-pro/systemrequirements.html>

Furnishing Skills
